Did you know your financial aid may be adjusted or canceled if you don’t attend class?
(Refer to inside front cover for details.)

Priority Registration for Spring 2016 is November 9–20, 2015.
DID YOU KNOW YOUR FINANCIAL AID MAY BE ADJUSTED OR CANCELED IF YOU DON’T ATTEND CLASS?

Financial aid is initially based on your enrollment status. Once the semester begins, faculty report students who never attended or who stopped attending. At that point, your financial aid may be adjusted/canceled, and you may be required to repay financial aid (including loans) to MTSU. If this occurs, you will be unable to view your grades, register for a future semester, or obtain an academic transcript until the balance owed is paid in full.

To ensure progression toward your degree and maintain eligibility for financial aid, you should attend all of your classes and make every effort to be academically successful.

Lack of attendance can cause you to owe back financial aid!
Did you know there is a difference between receiving a grade of “F” for failing a class versus receiving a grade of “FA” for failing a class with an attendance issue? To be in compliance with federal regulations, MTSU added a failing grade of “FA” to identify students who failed a class and also stopped attending the class. If you fail class(es) and also stop attending class(es), you may be required to pay back financial aid and/or lose future eligibility for financial aid (including Lottery Scholarships and federal student loans).

MTSU MOBILE APP
MTSU Mobile is a free smartphone application available on both iOS and Android devices. Among its many features, students can view their class schedule and grades, confirm attendance prior to the semester’s start, view their Academic Progress Report (which includes midterm grades), and use the Schedule Planner to create a future term schedule prior to registering on RaiderNet. Download the MTSU Mobile App on your smartphone.

SCHEDULE PLANNER
The Schedule Planner (available on Pipeline MT’s login page or the MTSU Mobile App) helps you build the class schedule best suited to you. It lets you select upcoming terms, range of available times, days of the week, break times and lunch breaks; include course types ranging from off-campus, honors, distance learning, and more; and review selections with the number of remaining seats. The Schedule Planner does not register students for classes. After planning the optimal schedule, students should use RaiderNet to register for those specific classes.

ACADEMIC APPEALS
Undergraduate students on academic suspension who wish to return to MTSU in spring 2016 must complete the Academic Appeal form and return it to the MT One Stop no later than 4:00 p.m. on Wednesday, January 6, 2016. The Academic Appeal committee meets on Friday, January 8, 2016. For additional information, including the Academic Appeal form, visit http://mtsu.edu/one-stop/forms.php.

FINISH LINE SCHOLARSHIP
The Finish Line Scholarship is a tangible motivation for MTSU students to enroll in course loads of 15 credit hours each term, and/or to use summer sessions wisely to ensure timely completion of the degree (4 years for freshman and 5 or less semesters for transfer students). Students who successfully meet this benchmark will become eligible for a Finish Line Scholarship in their final semester that reflects tuition increases which occurred during the four-year period of their studies. Students are encouraged to review the detailed guidelines which can be accessed by signing into PipelineMT, select RaiderNet, Student tab, Student Records link, and finally the Finish Line Scholarship link.

TN eCAMPUS
Please note that within the registration guide, TN eCampus is the new name for online courses formerly known as RODP or ROCC.

*Courses cannot be dropped on RaiderNet after the drop-with-a-W dates have passed.
*Depending on aid received, a withdrawal at any point in the semester could mean a balance will be owed. Receiving a “fee adjustment” does not necessarily mean you will receive a refund.

TN eCampus courses are charged at a different per-hour rate and are charged separately from MTSU courses. TN eCampus courses will not be evenly exchanged with MTSU courses when dropping and adding on the same day.

Short courses are courses not meeting for the entire part-of-term and have prorated deadline dates. Students must check in RaiderNet for the memo note regarding prorated drop dates for all short courses. RaiderNet controls drops/refunding based on the date of the part of term only. Once the semester begins, tuition exchanges are only allowed for courses dropped and added within the same part of term and with equal credit hours dropped and added on the same day. Courses do not evenly exchange across parts of terms (i.e., 1, A1, A2, R, RA1, RA2) once the semester begins.

*Financial aid will be adjusted based on attendance as reported by the faculty. Official last date of attendance (for students who have not officially withdrawn) will be determined by the instructor. Faculty begin reporting nonattendance on the first day of classes and continue reporting nonattendance throughout the semester.

**NOTE: Lottery Scholarship recipients cannot change enrollment status after this date and retain the scholarship. Federal financial aid may be adjusted for the spring semester based on the number of hours enrolled as of February 1. This includes all parts of the term; i.e., 1-Full Term, A1-Accelerated 1 part of term, A2-Accelerated 2 part of term, R-TN eCampus Full Term, RA1-TN eCampus Accelerated 1 part of term, and RA2-TN eCampus Accelerated 2 part of term. Adding courses after February 1 WILL NOT increase financial aid eligibility. However, if you drop a class before the start date and/or your instructor reports that you never attended or stopped attending your class(es), your financial aid may be reduced or canceled. This may result in you owing a balance to MTSU.

ADVISING AT MTSU

Academic advising is recommended each semester to ensure that you stay on track for graduation. Please contact your academic advisor to review your progress, work out a schedule of classes, obtain program updates/changes, and seek help in making academic decisions. Getting advised early will allow you to register on time for spring 2016 classes.

Required Advising for Undergraduate Students

Advising is required for all new freshmen and new transfer students before registration.

All currently enrolled undergraduate students with less than 30 hours earned or students with a prescribed course requirement are required to meet with their assigned advisor. Other majors or minors may have required advising as determined by the college’s advising plan before registration is permitted.

A hold will appear on your account preventing priority registration if advising has not been completed.

How to Find Your Advisor on RaiderNet

1. Log in to PipelineMT, click on the RaiderNet tab, then on the Student tab, and select Registration.
2. Select a term and submit. (Make sure you select the correct term.)
3. Click on Assigned Advisor(s).
4. See all assigned advisor(s) including office locations, emails, and phone numbers.
5. If no assigned advisor, contact department of your major.

How to View Holds on RaiderNet

1. Log in to PipelineMT, click on the RaiderNet tab, then on the Student tab, and select Registration.
2. Click on Holds.
3. Some holds prevent your registration, while others only impact seeing your grades and transcripts. You can see what type of hold you have, if any, on this screen.
4. To inquire about a hold, click the link on screen to view hold contact information.

How to Find Your Assigned Registration Time

1. Log in to PipelineMT, select the RaiderNet tab, the Student tab, and then Registration.
2. Select a term and submit.
3. Select Assigned Registration Time to view your day and time to register.

Registration date/time assignments are determined by the number of earned credit hours. Currently enrolled hours are not included.

How to Confirm Tuition/ Fees or Pay on RaiderNet

(Confirm/Pay should not be confused with confirming/accepting financial aid.)

NOTE: Class schedules will be deleted unless fees are paid or registration confirmed by the fee payment deadlines.

Beginning December 2, you may confirm you will attend MTSU and validate your registration if you have a zero or negative (-$) balance.

1. Log in to PipelineMT, click on RaiderNet, then on the Student tab.
2. Select Student Account.
3. Select Confirm Enrollment/Registration Payment/Account Detail for Term.
4. Select the term you are confirming.
5. Your account balance summary and account details for the term will be displayed.
6. To confirm, click “Yes, I will attend…” Wait for a confirmation number, and write it down or print the page.
7. If you do not get a confirmation number, you have a balance due. You either need to pay or contact the MT One Stop if you are receiving loans, grants, or scholarships that should cover your total bill.
8. To pay, select Continue.
9. Select View Account Activity, or select Make a Payment.
10. Follow payment directions.

NOTE: Class schedules will be deleted unless fees are paid or registration confirmed by the fee payment deadlines. You can also confirm on the MTSU Mobile app if you do not owe a balance.
How to Search for Classes

1. Log in to PipelineMT, click on the RaiderNet tab, then on the Student tab, and select Registration.
2. Click on Look Up Classes and select desired term.
3. Choose a subject in the “Subject” field (e.g., ENGL for English).
4. Course Search: If you know the course number, select View Sections.
   Advanced Search: To select all subjects, select the first subject, hold down the shift key, and select the last subject. All subjects will be selected. You could then select an attribute to search for a specific area such as General Education across all subject areas.
5. For best results using the Advanced Search option, leave remaining fields at their default settings and click Section Search.
6. If the class requires a corequisite, click on the Display Corequisites link at the bottom of the page. Once selected, search options are available to narrow results, if desired. The courses are listed in alphabetical order by subject, and labs or other corequisites are listed below the lecture/class to which they correspond.

How to Register
(Add or Drop Classes)

1. Log in to PipelineMT, click on the RaiderNet tab, then on the Student tab, and select Registration.
2. Click on Registration Status and select desired term to view academic standing, classification, etc. Select Assigned Registration Time to view your day and time to register.
3. Select the Add or Drop Classes link at the bottom of the page OR go back to Registration menu and click on Add or Drop Classes; select term, if needed.
4. On Add or Drop page, scroll down and enter course reference numbers (CRNs) in the boxes, starting from the left. You can enter one CRN at a time or multiples. If a course requires a corequisite, both CRNs must be entered before clicking Submit Changes.
5. Continue to register for classes until all of your selected courses appear.
6. Read how to resolve registration error messages by clicking on Click here for assistance in resolving registration errors. Contact department offering course for any needed overrides.
7. To drop a course, scroll down to current schedule and click on drop down arrow and choose the available drop option.
8. Click on Submit Changes.

Course Prerequisites, Restrictions, and Corequisites

Some course sections require prerequisites or departmental permission before registration. If prerequisite exception is being requested or departmental permission is needed, contact the academic department for permission/permit; if a permit is issued by the department then the student must access RaiderNet to register.

If a class requires a corequisite (e.g., BIOL 1030 and 1031), click on the Display Corequisites link at the bottom of the Look Up Classes or Add or Drop page. You may also access Display Corequisites from the Registration menu.

To View Your Schedule

1. Log in to PipelineMT, click on the RaiderNet tab, then on the Student tab, and select Registration.
2. Click on Schedule (Grid Format).
   NOTE: Your class schedule changes do not always appear immediately on My Courses (on the My Pipeline tab), but they do appear immediately on RaiderNet. Please use your schedule under RaiderNet for official information.
GENERAL INFORMATION

Academic Appeals
Students on academic suspension who wish to return to MTSU in spring 2016 must complete the Academic Appeal form and return it to the MT One Stop no later than 4:00 p.m. on Wednesday, January 6, 2016. The Academic Appeal committee meets on Friday, January 8, 2016. For additional information, including the Academic Appeal form, visit http://mtsu.edu/one-stop/forms.php.

Academic Progress Report
Academic Progress Report is a system used by faculty to report academic progress and midterm grades. The Academic Progress Report will reflect feedback from your professor that could include an in-progress grade at the time of the report or other comments. An email notification is sent to the student when an Academic Progress Report is posted. Details related to the report can be accessed in RaiderNet by selecting the Student tab, then the Student Records and Academic Progress Report links or by using the MTSU Mobile app. Please note that reports may contain concerns or simply a summary of progress to date, which could be satisfactory or unsatisfactory.

Academic Standing and Grades
It is the student’s responsibility to be aware of grades and academic standing. For details, see http://catalog.mtsu.edu, Academic Policies and Procedures, Academic Standing (Retention Standards and Grades).

Undergraduate Students. If a student is placed on probation, the student must attain a 2.00 GPA in the next term or increase the overall combined GPA to one of the following retention standards:

- 00–29.99 GPA hours 1.50 overall combined GPA
- 30–49.99 GPA hours 1.80 overall combined GPA
- 50 or more GPA hours 2.00 overall combined GPA

A student on academic probation who does not meet either the current term GPA or overall combined GPA during the next term enrolled will be suspended. Students previously suspended are not eligible for probationary status.

If a transfer or reenrolling student is admitted on probation or has been previously suspended from any school, the retention standards must be met each semester or suspension will occur. Be aware that new transfer credit posted summer 2015 or after will no longer be calculated in the overall combined GPA or GPA hours.

Graduate-level academic standing is based on cumulative GPA. Academic standards for graduate students may be viewed at www.mtsu.edu/graduate/student/regulations/suspension.php.

Auditing
Any request to change from credit to audit or audit to credit must be processed by the last day to add a class on RaiderNet; after that time, instructor and chair permission is required. Graduate students who request to change after the deadline must receive approval from the department chair and the dean of the College of Graduate Studies. Students who wish to audit a course must go to the MT One Stop (SSAC) or call (615) 898-2339.

Catalogs (Online)
MTSU’s undergraduate and graduate catalogs are online and searchable at http://catalog.mtsu.edu. Prospective or currently enrolled students can view offerings by using the search-by-keyword feature at the top left of the screen or by clicking on links on the left side of the screen. The Majors A–Z and Minors and Certificate A–Z links provide complete major and minor listings, and academic maps (four-year plans of study) are available at the Academic Maps link. Information about general education, admissions, expenses/tuition and financial aid, degree requirements, policies and procedures, and graduation can be easily located.

Students can save their own catalogs under My MT Catalog by creating a login and saving any section of the catalog such as courses, program information, or policies and procedures. Courses and programs can be added or deleted then saved for easy access.

Change of Address or Name
Students should immediately update addresses, names, or other information that has changed. Select the RaiderNet tab and click the Personal Information tab to review and correct addresses, phone numbers, email addresses, and emergency contacts. A forwarding address should be left with the U.S. Post Office in addition to a change of address with the University.

Students cannot update names on RaiderNet because documentation will be needed. It is the student’s responsibility to inform instructors of name changes that occur during the semester.

Students cannot update permanent addresses on RaiderNet because the permanent address serves several purposes and must be monitored. Use the change of address form online at the address below or go to the MT One Stop. A permanent address change request that conflicts with residency might require documentation.

For additional information: http://mtsu.edu/one-stop/forms.php.
Change of Major/Program, Undergraduate

Many students make the decision to change their majors/programs during their undergraduate careers. Students considering a change in major should consult their current advisors and faculty in their new areas of interest and explore possible major career fields in the Career Development Center in KUC 328.

In RaiderNet, select the Registration link to access the Change of Major form. Requests for change of major will be processed for the current term and email confirmations will be sent. Once requests are processed, students can see their new majors and run up-to-date degree evaluations.

Change of Program, Graduate

Effective the first day of class each semester, graduate-level students who elect to change their academic programs will be processed for the following semester. These students MUST be fully admitted into the new program before registration for the upcoming term. This process ensures that students’ registration and financial aid are not adversely affected.

Class Attendance

A student is expected to attend each class for which he/she is registered except in cases of unavoidable circumstances. Students should not attend classes for which they are not officially registered.

Attendance in classroom courses or participation in distance learning courses is expected, and absence or nonparticipation is recorded and can have an effect on receipt or repayment of various financial aid and scholarships, even though some faculty may not check attendance in a conventional manner.

Faculty begin reporting nonattendance starting on the first day of classes and continue reporting nonattendance throughout the semester.

Class Cancellations and Changes

The University reserves the right to cancel any class when the number of students enrolled is deemed insufficient and the academic departments will notify students, via MTMail. See http://catalog.mtsu.edu, Academic Policies and Procedures, Cancellation of Scheduled Classes. It may be necessary for modifications to be made in locations and teachers listed for courses. The most up-to-date information may be found on RaiderNet.

NOTE: Students receiving financial aid or veterans benefits are encouraged to contact the appropriate office (MT One Stop (SSAC), Veterans Affairs in KUC 128) to determine if their aid will be affected.

Class Cancellations Due to Weather

Check the university home page at www.mtsu.edu, call the news line at (615) 904-8215, or check your campus email. The MTSU Critical Notification System sends emails and can also deliver text messages about weather closures. To add a mobile number or manage your account, go to www.mtsu.edu/alert4u, and click on Manage MTSU Critical Notification System (RaveAlert) Account (www.getrave.com/login/mtsu). If MTSU classes are canceled, the announcement will apply to all classes, credit and noncredit. Offices at MTSU will be considered open unless the announcement specifically says all offices will be closed.

Confidentiality of Student Records

MTSU regards a student’s academic record as confidential. The release of information contained in the record is governed by a federal law known as the Family Educational Rights and Privacy Act (FERPA).

For additional information: www.mtsu.edu/policies/student-affairs/III-00-01.php

If you have questions concerning the provisions of this act, please feel free to contact the Registrar’s Office at (615) 898-5814.

Course Load and Enrollment Status

A student’s enrollment status is determined by the number of credit hours taken per term. For details on undergraduate, see http://catalog.mtsu.edu, Academic Policies and Procedures, Semester Hour Load of Student. For details on graduate, see http://catalog.mtsu.edu/index.php?catoid=16, Academic Regulations, Semester Hour Load of Student.
Critical Notification
The critical notification system is used to send text, email, and/or voice alerts to those in the system. The system will be used only when circumstances pose a threat of imminent danger and/or when it is critical to contact students as quickly as possible to take some kind of action, such as completing registration/fee payment/confirmation.

Degree Evaluation
Degree evaluation for undergraduate students is available on RaiderNet. Select Student, Student Records or Registration, Degree Evaluation, the current/priority registered term, and one of the following when the curriculum information displays:

• Generate New Evaluation allows you to request a new evaluation to be run using your current program (major, concentration, and minors) and all credits and grades earned. Select the radio button next to the curriculum and click on Generate Request.

• What-if Analysis allows you to request a new evaluation for what-if scenarios by selecting catalog, major, concentration, and/or minors. Select the Entry Term that is the term of the catalog under which you will be graduating; select a Program; select the major in the First Major box and click on Add More if there is a concentration; select Concentration one, if applicable. Click on Add More to add minors; select up to two minors in the First Minor and Second Minor boxes; and click on Submit. The created curriculum will display; if correct, click on Generate Request.

• Previous Evaluations shows every evaluation that has been generated for you by the graduation coordinator, advisor, or yourself. It is a “frozen-in-time” snapshot just like a printed copy, and credits or grades added after the original results date will not be reflected.

Distance Education Courses
For assistance, please call (615) 898-5332 or (615) 898-5611 or visit http://www.mtsu.edu/uc.

Some MTSU online courses require an override (department permission) to register. Request a permit at www.mtsu.edu/universitycollege/distance/permission-of-department-form.php.

All TN eCampus online courses require an override from the student’s academic advisor (unless the student is pursuing an TN eCampus degree). Request the override at http://www.mtsu.edu/form.

Drop/Add/Late Registration Policy
Refer to page 2 for adding, dropping, late registration, and withdrawal deadlines. Students who wish to add a class after the deadline to add should refer to http://mtsu.edu/one-stop/forms.php to access the Late Drop/Add/Registration Form. Students will be allowed to drop or add courses provided they do so within the course drop/add period.

Students who stop attending but do not officially drop or withdraw will receive a grade of FA, which may impact financial aid and scholarships, including lottery and loans.

NOTE: The drop dates for courses that meet for a shorter period than the part of term beginning and ending dates will be prorated based upon the course drop dates for the part of term.

Student-athletes must obtain permission from the Student-Athlete Enhancement Center before adjusting their class schedules.

International Undergraduate and Graduate students must remain full-time and should obtain permission from the International Affairs Office and College of Graduate Studies respectively.

Eligibility Verification for Entitlement Act (EVEA)
The Tennessee Eligibility Verification for Entitlements Act (EVEA) requires proof of U.S. citizenship or lawful presence to receive state benefits for all new or reenrolling students.

The term “state benefits” includes in-state tuition, lottery scholarships, academic scholarships, Academic Common Market, or any other form of tuition assistance or waivers funded with state-appropriated dollars. State benefits do not include tuition assistance funded privately or privately endowed scholarships.

For a complete list of documents and more details about the Eligibility Verification for Entitlements Act, please visit www.mtsu.edu/admissn/evea.php.

If you are eligible and wish to receive state benefits and are not planning to complete a FAFSA, documentation can be emailed as an attachment (undergraduate students: evea@mtsu.edu; graduate students: graduate@mtsu.edu) using a smartphone or scanner, mailed, faxed or hand delivered. Please include your MTSU ID number (M#).

Email
To help protect your privacy, MTSU will communicate with you using the MTMail email account given to you during your admission to the University. Faculty may also communicate with you through your D2L email account. It is your responsibility to check your MTSU email accounts, read email sent to you, and respond using these accounts. Use your MTMail for communication to and from faculty/University offices.
Enrollment Verification

Enrollment verification is available through PipelineMT. You can find instructions on how to obtain an enrollment verification certificate at www.mtsu.edu/grades-and-transcripts/proof-of-enrollment.php.

Financial Aid Satisfactory Academic Progress (SAP)

One factor in being eligible to receive federal, state, and some institutional financial aid (including federal loans) requires students to maintain Satisfactory Academic Progress (SAP).

Three areas monitored in SAP are grade point average (GPA), passing percentage (Pace), and maximum attempted hours.

Students are often confused about why they are not considered to be in financial aid good standing when they have a good GPA. The Registrar’s Office (for undergraduate students) and the Graduate Office (for graduate students) monitor a student’s GPA. They notify students of any academic probations or suspensions based on GPA. If suspended, the student must follow their appeal instructions.

Federal regulations also require the Financial Aid Office to monitor a student’s passing percentage (Pace) and attempted hours. Often, withdrawing from courses, which may not negatively affect GPA, can cause a student to fall below an overall combined pass rate of 67% or reach his/her maximum attempted hours before graduating. This can mean losing eligibility for financial aid.

All students are encouraged to read and understand the Financial Aid Satisfactory Academic Progress Policy. To read more about SAP, visit www.mtsu.edu/financial-aid/policies.php. Understand the rules so that you can maintain your financial aid!

Graduation Information

Graduation information such as ceremony dates, instructions, caps and gowns, etc., can be found at www.mtsu.edu/grades-and-transcripts/graduation.php.

ID Cards

The MTSU BlueID card identifies MTSU students, faculty, and staff for access to campus services and privileges. Use the BlueID card to check out books at the library, print and copy, be admitted to campus computer labs and residence halls, attend campus events and purchase extra tickets, receive student health services, and pay for food via student meal and budget plans. It can also be used as a debit card on campus. The MTSU BlueID Office is open Monday–Friday from 8:00 a.m. to 4:30 p.m. in SSAC 112.

Immunization Requirements

Please visit the following link for information on immunization requirements from the State of Tennessee: www.mtsu.edu/healthservices/Immunizations.php.

Information Technology Help Desk

The Information Technology Help Desk is staffed seven days a week when classes are in session (except University holidays). Experienced personnel can answer hardware, software, password, and other computing questions. Contact the Help Desk at (615) 898-5345 or email help@mtsu.edu.

MT One Stop

MT One Stop is on the second floor of the Student Services and Admissions Center (SSAC) and can assist students with financial aid, records, registration, and student accounts.

MT One Stop can:

- provide student transcripts and enrollment verification for insurance purposes;
- help students complete the FAFSA verification process;
- make registration and schedule changes;
- complete forms for dropping and adding classes;
- help students withdraw from classes and/or the university;
- process the Partners in Education (PIE) form and requests;
- assist with signing up for deferred payment plans and for direct deposit; and
- provide information about billing, financial aid, and scholarship applications.

For hours of operation and a list of enrollment coordinators or to learn more information about MT One Stop please visit www.mtsu.edu/one-stop.

Parking Permits

Each vehicle parked on campus must have a current valid parking permit displayed in the vehicle. Parking permits are issued only after all registration fees are paid/confirmed. Permits are issued at the Parking and Transportation Services Office at 1403 E. Main Street, in the rear of the building. Students must bring their license plate number and a photo ID with them to receive their parking permits. For more information, refer to the Traffic and Parking Regulations booklet or visit www.mtsu.edu/parking.
PipelineMT Password—Create or Change

For new students who have never accessed their PipelineMT accounts or those who want to change their passwords or have forgotten their passwords:

1. Go to www.mtsu.edu/pipelinemt and select “New User? Click here to retrieve your username and password.”
2. Click on STUDENTS and follow instructions.
3. An email with an encrypted link that is valid for one hour will be sent to your personal email address (provided it is not a @mtmail.mtsu.edu or @mtsu.edu address).
4. Select the encrypted link and follow instructions.
5. Your username will be displayed. Students will be prompted to create a password within the parameters given. The initial password is created by the student.
6. A notification of a change to your email will be sent to your MTMail email account as an extra level of security.

Prescribed Course Placement

All students who were placed into prescribed courses based on their ACT scores, SAT scores, and/or the University Placement Test must enroll in and complete the designated courses in sequence. Tennessee Board of Regents policy prohibits students from dropping prescribed courses except under extenuating circumstances and with the approval of University Studies. A student desiring to drop a course must contact University Studies by calling (615) 898-2568 or visiting PH 202 to begin the process. Failure to comply will result in an automatic grade of F/FA.

Failure to enroll in the designated courses can result in the student’s course schedule being deleted.

Additional information can be obtained by accessing the University Studies webpage at www.mtsu.edu/universitycollege/university-studies/.

Selective Services

Male students age 18 through 25 who have not registered with Selective Service or have not verified with MTSU their registration with Selective Service have registration holds placed on their records and will not be allowed to register until the conditions for the hold have been satisfied.

According to federal law, you must register with the Selective Service system to attend a public university in Tennessee. If you have not registered with the Selective Service or you want to check to see if you have registered, you can go to www.sss.gov.

Once you have registered with Selective Service, you will need to complete the Selective Service Verification form, which you can obtain in the Veterans Affairs Office or at http://mtsu.edu/one-stop/forms.php.

Transcript Requests

Official transcripts can be requested and picked up immediately at MT One Stop. A photo ID is required.

Transcripts may also be requested via email by scanning and attaching the signed Transcript Request Form (http://mtsu.edu/one-stop/forms.php) and sending it to Records@mtsu.edu; by faxing to (615) 898-5538 or (615) 904-8313; or by mailing to
Middle Tennessee State University
Registrar’s Office, 150 SSAC
1301 East Main Street
Murfreesboro, TN 37132

University Withdrawals

If a student wishes to drop an individual course, the drop may be completed via RaiderNet until the withdrawal deadline (refer to dates on page 2. After the withdrawal deadline and with appropriate approvals, a student may drop an individual course by submitting a signed Drop Form to the MT One Stop.

If students have extenuating circumstances and need to withdraw after the withdrawal deadline (e.g., medical, death in family, etc.), they should email, fax, or bring appropriate documentation to substantiate the extenuating circumstances to the MT One Stop (SSAC). MTSU does not have a medical withdrawal. All withdrawals are based on documentation and the date of the extenuating circumstance. For all retroactive withdrawals, requests within one year of the end of that term will be considered only if the student presents acceptable documentation of extenuating circumstances.

Veterans

For returning veterans and those currently serving in the military, the certification of benefits process at MTSU is online. Go online to MTSU’s PipelineMT and click on RaiderNet, then look for the Veteran tab. Students who have served in the military but no longer receive benefits may be eligible for other benefits; to inquire about eligibility, submit a copy of the DD214 to KUC 128, Veterans Affairs.

New freshmen and new transfer students should contact Veterans Affairs to start the benefit process at mtsuveterans@mtsu.edu, or call (615) 898-2601 or (615) 898-5040.

For more information go to www.mtsu.edu/military.

Veterans’ Dependents’ Post-Secondary Education Assistance

Pursuant to T.C.A. § 49-7-102, certain statutory fee exceptions exist for dependents and spouses of military personnel killed, missing in action, or officially declared a prisoner of war while serving honorably as a member of the armed forces during a period of armed conflict. Contact Veteran’s Affairs at (615) 898-2601 or (615) 898-5040 for more information.

Many majors require or recommend specific courses within the General Education program. Students should consult their major advisors for requirements.

NOTE: The prescribed prerequisites indicated below are for students who have been placed into prescribed courses based on ACT/SAT/University Placement Test Scores. For example, math test scores could place students in MATH 1000KC, MATH 1010K/1530K, or just MATH 1010K/1530K/1710K. See your college advisor for details.

Courses with lecture/lab (i.e., sciences or HLTH 1530/1531) are corequisite courses. Both CRNs must be entered before clicking submit when registering in RaiderNet.

DID YOU KNOW?

- Mid-term grades are reported in all undergraduate courses. You can access your mid-term grade as well as any other comments related to your course in RaiderNet by selecting the Student tab, Student Records, Academic Progress Report links. A notification is sent to your MTSU email account nightly if any mid-term grades or academic progress reports are reported in any of your courses.

- Advisors and staff across campus can make notes which you can see in RaiderNet by selecting the Student tab, Student Records, Academic/Enrollment Notes link. A notification is sent to your MTSU email account nightly if any notes have been entered.

- You can view your prior college and graduation information in RaiderNet by selecting the Student tab, Student Records, Prior College and Graduation Information links. This provides helpful information such as showing if your prior college transcripts have been received and evaluated or if your Intent to Graduate and Upper-Division forms have been filed. Additionally, it shows the name as it will be printed on your diploma as well as where your diploma will be mailed if you don’t pick it up in person during pick-up week.

- A new pilot program called includED is a partnership between MTSU and Phillips Bookstore to provide lower cost, digital textbooks to students and roll those costs into tuition and fees. Students taking certain sections of PSCI 1030/1031, ASTR 1030/1031, and UNIV 1010 will have the book costs for those classes on their tuition bill and will not need to purchase the textbook for that class on their own.

- MTSU’s new Quality Enhancement Plan (QEP), MT Engage, is focused on enhancing student academic engagement. This is accomplished by introducing high impact pedagogies within the course and through beyond the classroom activities/strategies, as well as challenging students to integrate and reflect on their learning experiences. The program officially begins in the fall of 2016. For more information visit http://www.mtsu.edu/mtengage.

- There are some new in-state tuition options for out-of-state Veterans and for students who attended a TBR community college using the Border County in-state tuition option. Check the Admission section of the MTSU online catalog for more information.
