Welcome to MTSU!

We invite you to take a self guided walking tour of some of our residence halls from 12noon – 2pm on the second day of Customs. The rooms below will be available to view during these designated hours only. There will be staff available in each room to answer questions.

We are unable to provide tours of all our facilities due to certain buildings being occupied or renovated. We have provided a list to help you determine which hall most closely resembles the hall you are interested in. Show rooms will be available for viewing in each of the five buildings listed below. All buildings have safety and security features like: fire sprinklers, fire alarms, card-swipe access points and an Adopt-a-Cop, who is an MTSU Police Officer assigned to the community. Each area also includes basic amenities such as: a furnished room, study space, computer lab, laundry facility and a front desk. Residents will be able to do their laundry for free, so leave your quarters at home. Additional information may be obtained on the Housing website http://mtsu.edu/living-on-campus.
