#### Authorization and Signature

I understand I cannot receive loans from MTSU and TSU for the same semester. If I am not eligible for the amount of loans received at MTSU, I agree to repay the balance owed to MTSU.

***Check your MTSU email account and/or active messages on your MTSU RaiderNet account regularly for information regarding your aid.***
Complete the Free Application for Federal Student Aid (FAFSA) prior to requesting a Federal Direct Student loan. The FAFSA can be completed online at [https://www.fafsa.gov](https://www.fafsa.gov). The School Code for MTSU is 003510.

Sign a Federal Direct Master Promissory Note (MPN) electronically at [https://StudentLoans.gov](https://StudentLoans.gov) using the PIN assigned to the borrower (same PIN as the one used to sign the FAFSA). If the borrower does not have a PIN, one can be requested at [https://pin.ed.gov](https://pin.ed.gov). (NOTE: If you have previously signed a Federal Direct MPN within the last 10 years, you do not have to sign another one if your current MPN is still active.)

Complete Loan Entrance Counseling. You may access this online through your RaiderNet account or at [https://StudentLoans.gov](https://StudentLoans.gov) (NOTE: If you have previously completed Loan Entrance Counseling for a Direct Student loan for Middle Tennessee State University, you are not required to complete another interview.)

### Important Notes

1. You may only request a one-semester loan each term. You cannot receive loans from MTSU and TSU for the same semester.
2. Graduate students must be enrolled in at least 5 graduate hours to be eligible for the loan each semester.
3. **Graduate loans are limited to Federal Direct Unsubsidized loans only.** The Unsubsidized Student loan will begin accruing interest after each loan disbursement.
4. If the borrower does not complete the MPN within 30 days of the term in which the loan is requested, the loan may be cancelled and the student will be responsible for paying any balance owed to the university.
5. The MPN must be completed for the first Federal Direct loan processed, but not for subsequent loans.
6. Loan amounts may be reduced if additional awards are received after the loan is processed.
7. If your professor(s) report that you never attended or stopped attending your class(es), your loan may be cancelled or reduced; you may owe a balance to MTSU.
8. Federal Direct Student Loans for the Fall semester may be processed before we evaluate Satisfactory Academic Progress (SAP) following enrollment in the Summer term; therefore, **if it is determined that you are not making SAP, your financial aid will be cancelled.** To review the SAP policy, go to [http://www.mtsu.edu/financial-aid/policies.php](http://www.mtsu.edu/financial-aid/policies.php).
9. Graduate students may be eligible to borrow up to $20,500 for the academic year. (Because you may request one-semester only loans, the maximum you may borrow for a Fall or Spring term is $10,250.) Before requesting the full amount for the Fall or Spring terms, consider whether or not you need loan funds for Summer. You may be eligible for Summer loans if you do not borrow the maximum one-semester amounts during Fall and Spring.
