Your 2015-16 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Before awarding federal student aid, we must document your high school completion status. Complete and sign this form, include the required documentation and mail or fax this form to the MT One Stop.

Provide one of the following documents that indicate the student’s high school completion status when the student will begin college in 2015–2016:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, he or she must contact the MT One Stop.
