MEET STEPHANIE AND ANNA!

Stephanie, what do you think is the most important attribute you have gained/learned from being a sorority woman?
Since beginning my journey in Greek life, I have gained self confidence. In high school I wasn’t very comfortable in my own skin, and I was always worrying what others thought of me. Joining a sorority has made me realize that I am beautiful, witty, and stronger than I give myself credit for.

Anna, why did you want to be a Recruitment Counselor?
I love making new friends, but I also want to be there to guide girls through recruitment assuring that they have as positive of an experience as I had.
