MEET BIANCA AND JALICIA!

Bianca, what influenced you to go through recruitment and join a sorority?
At first I was very hesitant about going through the recruitment process, but after a few months of being in the Panhellenic Community, I recognized the amazing bond that these girls had, and I began to feel so blessed to actually be a part of that.

Jalicia, what do you think is the most important attribute you have gained/learned from being a sorority woman?
I think the biggest attribute I gained by being in a sorority is confidence. I do not think I would be able to do things I have in college without the confidence and support I had gain from being part of a sorority.
