**Upper Division Form – Bachelor of Science Degree**

**Department of Health and Human Performance – Communication Disorders**

**Form 4**

**Instructions:** Original copy signed by major advisor (and minor advisor, if required) as well as the Intent to Graduate form should be filed with the College Coordinator during priority registration when two semesters are remaining for graduation. Submit both forms in the Dean’s office in Todd 231.

HOURS

CUMULATIVE GPA

CUMULATIVE HOURS:

(A minimum of 120 semester hours is required for graduation.)

Approved: __________________________________________________________________________

Major Advisor Date

Writing Requirement: Students who make lower than B- in ENGL 1010 or 1020 and students who demonstrate poor writing skills in course work, as assessed by two faculty members, will be required to take an additional English course that focuses on writing. Courses students may select from include ENGL 3605 Applied Writing (Preferred); ENGL 3620 Professional Writing.

ASHA Requirements: The American Speech-Language-Hearing Association requires all students to have completed two science courses: One in biology and a second in Chemistry/Physics/Physical Science. In addition, all students must have a basic course in statistics. MATH 1530 will fulfill this requirement.

Application for Clinical Practicum (prior to CDIS 4550)

Prior to enrollment in clinical practicum, students must meet academic and professional eligibility criteria established by the faculty and published in the clinic manual. Academic criteria include a minimum overall GPA of 2.60 in 60 credit hours or 3.00 in the last 30 credit hours, a minimal GPA of 2.80 in the major, a minimal grade of C in each prerequisite course, and competence in speaking and writing. Students make application for Clinical Practicum while enrolled in CDIS 3300.

See your advisor if in any semester you are unable to enroll in a recommended Communication Disorders course. You may need to enroll through “Permission of Department” (POD). Your advisor will assist you. Remember, if you receive a POD, you must still register for the class.
