

MTSU *Blue* ID

Where to get your ID card

Student Services and Admission Center, Room 112

Monday through Friday

8:00 am – 4:30 pm

What can I do with the card?

- * Check out materials at the library
- * Entry to Rec Center, computer labs, and other places
- * Free admission to sporting and other events
- * Student health services
- * Student meal plans
- * Raider Funds
- * Discounts throughout Murfreesboro

How does it work?

The card is activated when you pay your fees. It is connected across campus through the MTSU databases, via the magnetic strip on the back. It has your picture, name, M Number, and designation as a student on the front for ID purposes on campus. Some stores, movie theaters, and restaurants in Murfreesboro also offer discounts with it.

Raider Funds

You can set up your Raider Funds account, then your card will be just like a debit card on campus. You can use it at the Bookstore, at vending machines, dining facilities, and other places on campus. Using your Pipeline login, you can check balances, add funds, or report a lost or stolen card at <http://blueid.mtsu.edu>.
