Quilts of Valor National Sew Day 2016

Saturday, February 6, 2016  8:00 AM – 4:00 PM

MTSU Learning Resource Center (LRC) 207, 208, & 209

The mission of the Quilts of Valor Foundation is to cover service members and veterans touched by war with comforting and healing Quilts of Valor.

You can participate in this project by joining us on QOV National Sew Day and we will make quilts together!

Let’s make MTSU true red-white-and blue!!

If you cannot come for the whole day, come when you can and we will definitely put you to work!

You do not have to be a seamstress to help. We will need people to cut fabric, iron seams open, as well as sewing and other tasks.

If you have fabric to donate, please notify Janice Lewis in the Provost’s office. The QOV Foundation will be providing patterns and fabric that has been donated to them. They will have a representative there also.

Project sponsored by MTSU Office of the University Provost, Department of Human Sciences, and the MTSU Veteran and Military Family Center

Participant Cell#:

Seamstress? If yes, are you bringing your own machine? 
(You will need to bring a ¼” foot attachment with your machine)

Seamstress Assistant?

Donating fabric?

“Seamstress” means you are volunteering to sew together quilt pieces to make the quilt top.

“Seamstress Assistant” means you are not sewing but can assist in cutting, trimming, ironing, etc. for the Seamstresses.

Depending on the number that sign up we may also need volunteers to provide lunch for the workers but I will let everyone know closer to the date once I have a count of participants. I will try to get a local restaurant to provide free lunch first before asking for volunteers.
