Curriculum Proposal Guidelines--College of Liberal Arts
Academic Year 2014-2015

Proposals submitted to the CLA curriculum committee must follow UCC guidelines and be completed using the appropriate forms. Guidelines and forms can be accessed online at http://www.mtsu.edu/provost/curr.php.

Helpful Hints
1) Complete all paperwork and proofread. Copying and pasting from one proposal to another often results in careless errors.
2) Remember to attach two catalog descriptions (one with the proposal and one with the Master Catalog Change Form).
3) For new courses, check with Ann Reaves to ensure that the course number you select has not been used previously.
4) Any changes to the curriculum that will result in changes to the major require a new upper division form along with a copy of the old upper division form. Please see http://www.mtsu.edu/gen_ed/program.php for updated list of general education requirements and a template for your UD form.
5) Please work with your department chair to determine possible curricular overlap, have discussions with relevant programs within CLA and in other colleges, and document such discussion in the proposal (as required by UCC guidelines).

CLA Curriculum Approval Process

1) Using the appropriate forms, submit your proposal to your department committee for approval. All proposals to CLA must contain the signature of the chair of the department curriculum committee.
2) Your proposal must arrive by the CLA deadline in order to be reviewed in time to meet the UCC deadline (see attached for 14-15 deadlines). Substantial revisions to your proposal, including excessive errors, may delay the process even if you meet the CLA deadline initially.
3) Email a complete copy of the proposal in one pdf document to the Associate Dean (Karen Petersen) and Graduation Analyst (Kathy Jones). They will review your proposal and, if needed, suggest edits or corrections.
4) Once edits are completed, please provide the original hard copy and an electronic copy to the Associate Dean. Your proposal will then go to the CLA Committee (currently composed of all department chairs) for a vote. A majority vote of approval is required to pass the CLA committee.
5) An approved proposal will be signed by the Associate Dean and returned to the faculty member responsible for the proposal. The faculty member is responsible for submitting the proposal to the UCC following the committee guidelines and prior to the deadline (see UCC website as the process is changing for the 14-15 AY).
6) A representative familiar with the proposal must attend the UCC meeting to answer questions from the UCC. Failure to have someone in attendance may result in the tabling of your proposal.
CLA Committee Process

1) Committee members will receive proposals from Anjali and should email her with a decision within one week of receipt. Please provide Anjali with a clear vote: Yes/No/Abstain.

2) Discussion among the committee members is encouraged and can occur in multiple formats; however, please do not mix your discussion and voting. Provide Anjali with a clear vote.

3) The committee can be convened to discuss any proposal in person at the request of any member with a second by another member. Please make meeting requests to the entire committee and CC the Associate Dean. A meeting request should be made as quickly as possible and no later than three days after the proposal is emailed to the committee. We need to leave time to make adjustments and, if approved, allow the proposal to go forward in a timely manner.
