

MTSU Registration Error Descriptions, Updated 9/14/2021

| REGISTRATION ERROR  | PERMIT | DESCRIPTION  |
|---|--------|--|
| Cannot drop the course without approval   | None   | No permit, course must be dropped by the MT One Stop   |
| Class Restriction (Fr, So, Jr, Sr)  | CLASS  | This allows the student to register in a course if they do not meet the appropriate classification restriction.  |
| Closed Section  | ENRL   | Enter only if the course does not have a waitlist  |
| Closed Section - Waitlist   | None   | Do not enter a permit, the student should sign up for the waitlist.  |
| Closed Section-X  | ENRL   | Enter only if no waitlist - this error show if a course is crosslisted. If entering an ENRL permit, the cross-list cap might need to be increased. Only Scheduling can increase the crosslist cap.           |
| Coreq_xxxxxxx REQ (xxxx = co-req course that is required)   | CREQ   | The permit must be entered for the course the student wants to register in. Example: The student only wants to register for PSY 3070 instead of PSY 3070/3071. A CREQ permit should be entered for PSY 3070. |
| Duplicate Crse with SECT XXXX   | None   | The student is already registered in a section of this course. In order for the student to register in a second section, they must email register@mtsu.edu   |
| Maximum hours exceeded. (If requesting an overload, UG students contact academic advisor; GR students contact Graduate Studies).  | None   | The student is attempting to register for more hours than they are approved. This could be because of immunizations or because the student is already registered in the max hours permitted.                 |
| Permission of Department  | SPEC   | The SPEC permit only overrides Permission of Department. A student should never need a SPEC and PREQ permit  |
| Prerequisite Required   | PREQ   | Should be entered if the department is allowing the student to register even if they do not meet the prerequisites in Banner. SPEC and PREQ should never be entered for the same course.                     |
| Registration changes are not allowed. Course status dates not within range for part of term.  | None   | This indicates that online registration is closed. The student must complete a Drop/Add form to add a course.  |
| Repeat Grade Restriction  | None   | No permit, course must be added by the MT One Stop   |
| Repeat Hours Exceeded   | None   | No permit, course must be added by the MT One Stop   |
| Restricted by program (major). Check CRN for requirement. Only students in a specific program may register for this course. If an override is granted, you still need to register for the course. | PROG   | This allows the student to register in a course that is restricted to specific degrees. The student does not meet those degree requirements in Banner.   |
| Restricted to specific degrees. Check CRN for requirement.  | RES    | This allows the student to register in a course that is restricted to specific degrees. The student does not meet those degree requirements in Banner.   |
| Student Status prohibits Registration   | None   | No permit, this indicated the student is on Academic Standing  |
| Time Conflict   | TIME   | This permit should only be entered by the department making the exception for the student to arrive late, leave early or miss class.   |

|   |      |  |
|---|------|--|
| You are not permitted to register at this time. | None | In most cases, the student had a hold, they do not have an assigned registration time or they need to reapply. |
