

EARN COLLEGE CREDIT FOR WHAT YOU ALREADY KNOW!

Prior Learning Assessment—PLA

MTSU recognizes that college-level learning takes place outside the University from:

- Learning in the workplace
- Training programs
- Certifications and licenses
- Military service and training

Take an online course to document Prior Learning in a portfolio.

(Pay for the course, but NOT for the PLA credit earned)

Students average 26 elective credits from this PLA process—all for the cost and time of a 3-credit hour course!

(Actual PLA credit varies based on YOUR past work and training)

PLA credit can be used toward:

- Bachelor of Science in Integrated Studies
- Bachelor of Science in Professional Studies
- Other MTSU degrees with departmental approval
