What is it?
A three day flight-oriented aviation camp conducted by faculty and staff of the Middle Tennessee State University (MTSU) Aerospace Department, for students who have completed the Introduction to Aviation camp and are interested in receiving more flight training. Students will receive ground and flight instruction similar to that which would be experienced when obtaining a Private Pilot certificate. This will allow students the opportunity to discover if they would enjoy a collegiate flight training program.

Time/Location/Cost
The camp will be held from 9 am – 3:30 pm, Monday June 17th – Wednesday June 19th, at the MTSU Jean A. Jack Flight Education Center, located at the Murfreesboro Municipal Airport. The camp is $650 for 1.5 hours of flight time, or $850 for 2.5 hours of flight time.

Students Will Receive:
Flight Instruction:
• Instructional flights (option of 1.5 or 2.5 hours of flight instruction time) in a MTSU DA-40 training aircraft
• Three hours of flight instruction in an aircraft desktop training device
• Half hour instruction in a flight training device (simulator)

Ground Instruction:
• Aerodynamics and aircraft systems
• Determining aircraft performance and weight and balance
• Using aeronautical charts
• VFR Cross country flight planning
• Determining aviation weather factors pertinent to flight
• Introduction to instrument flight
• Glass cockpit aircraft instrumentation and operation
• Instruction in ground school topics pertinent to Private Pilot operations
• Discussion of professional pilot career opportunities and career planning
