MTSU School of Agriculture Donation Form

The **MTSU Creamery** has nearly doubled production at its small processing plant on campus and continues to market its milk utilizing a throwback from the past — tin signs.

As a token of our appreciation for any donations of \$55 or more, you will receive one limited edition 11 by 17 inch old fashioned-looking sign with the message— “We Proudly Sell MTSU Milk”. Your sign will proudly promote the MTSU Creamery and the Tennessee Milk Program.
