In adhering with enforced COVID-19 policies and to continue to prioritize our health, the drum major audition process will continue to be modified. All components of the audition will be facilitated remotely using various online applications. This process has been outlined below.

**FlipGrid**
This application will help facilitate much of the instruction that normally takes places during the drum major clinics. Members of the current drum major team have uploaded videos to serve as a reference for candidates’ videos. Feedback of your work will be provided.

**Credentials**

- Flip Code: 2021bob
- Email: Use MTSU Email Account

**Topics (4)**
1.) Introductory Video
2.) 2/4 Meter, “William Tell”
3.) 3/4 Meter, 88 bpm, about 20 seconds
4.) 4/4 Metter, “Get Ready”

Deadlines for topics have been included within the topic description on the FlipGrid platform.

**Zoom**
This application will be used to hold mock interviews, as well as the audition.

**Mock Interviews**
The current drum major team will facilitate mock interviews to simulate the interview portion of the audition. Feedback will be provided. Mock interviews will begin during the week of Monday, March 15.

**Audition**
The audition will take place on **Friday, March 26.** Meeting times will be scheduled for each candidate in advance. Because of the nature of this process, slight flexibility may be required for the starting and ending times of each audition – thank you in advance for your help and understanding of this reality.

**Audition Components**
1.) Application: Submitted via email to Dr. Hawkins (dennis.hawkins@mtsu.edu) by **Tuesday, March 23, 4:30 p.m.**
2.) Conducting
   a. “Get Ready”
   b. Piece of candidate’s choosing to be approved in advance of the audition. Repertoire should be from the marching band medium. Each candidate should select a unique piece; repeated selections are discouraged.
3.) Interview
4.) Audition results will be communicated by **Monday, March 29.**
