**Compliance Tip of the Month:**

**Alcohol-, Drug-, and Tobacco-Free Campus**

Annually, MTSU facilitates various prevention and educational programs for students and employees that are designed to support an alcohol/drug/tobacco-free campus. As a reminder, the following policies reiterate the University's commitment to maintaining an alcohol/drug/tobacco-free campus:

- [Policy 541: Residential Life and Housing Rules](#)
- [Policy 750: Tobacco-Free Campus](#)
- [Policy 760: Drug-Free Workplace](#)

This year, the University will prepare its Drug-Free Schools and Communities Act Biennial reporting, which will be distributed at the start of the Fall 2018 semester. To learn more about the Drug-Free Schools and Communities Act reporting requirements, or to find out about MTSU's alcohol and drug prevention programs and support services, the following resources are available for students and employees:

- [Student Affairs Office of Health Promotions](#)
- [Student Affairs Office of Counseling & Testing Services](#)
- [Human Resources Employee Assistance Program](#)
- [Office of Compliance and Enterprise Risk Management](#)

Thank you, and happy new year.
