

## MTSU CAMPUS RECREATION OUTDOOR PROGRAM

### OUTDOOR EQUIPMENT RENTAL

#### HOW TO & FAQ'S

##### **How to rent equipment from MTSU Campus Recreation:**

Come visit us in the hours of 1-6 pm Monday, Tuesday, Thursday or Friday.

As availability of equipment allows we will help suit you for the most proper equipment for your trip. Take your gear and have fun for either a day, weekend or week.

A day rental is renting anytime from 1-6 on a Monday until 1 to 5:30 on a Tuesday (for example).

A weekend is Friday to Monday (were closed on the weekends, sorry!)

A week rental would be Monday to Monday or Friday to Friday for example.

If you've got to take the gear on a Thursday and keep it over the weekend we may charge just a slight bit more or if you're really sweet we'll give you the weekend rate.

We'll have you sign a rental contract that essentially states you'll pay for any lost or damaged equipment.

We'll help you load it in your car and off you go! Its that easy.

#### **FAQ'S**

Who do we rent to?

We rent to anyone! On the pricing sheet you'll see two prices: the first price is for all MTSU student faculty and staff and the second price is anyone else.

What category do alumni fall into?

They are non-MTSU student faculty and staff so they'll pay the second tiered pricing.

Can I return my equipment after or before operational hours?

Yes, if we can accommodate. Mike Bowen's office number is 615-904-8473 and the OER number itself is 615-898-8335. Most times we are able to accommodate.

Do you accept weekend returns?

We are closed on the weekends.

If I rent multiple canoes is a trailer included?

We really prefer not to loan out our trailer. Please provide your transportation OR utilize our inflatable kayaks which travel much easier.

How do reservations work?

If you'd like your equipment to be reserved (ensuring you'll have it for yourself) you must pay in person ahead of time. Then, simply show up when you need your gear (from 1 to 6 pm) and state you've already paid and have a reservation. It should be ready and waiting for you!
