Frequently asked Questions:

1. What should I discuss in my letter?

The letter that **is required for each scholarship** is one of the most important items in your application. In most cases this is the only way that the committee reviewing your application will be able to determine if you should receive an award. Be sure to read the description for each scholarship to ensure that you are providing what is required. You are encouraged to discuss the ways in which this scholarship will help you achieve your academic goals. We also suggest you discuss any extracurricular activities you are involved in. A good starting point is usually why you became interested in your intended career path and what are your long and short term goals.

2. Where do I get a copy of my Official Transcript?

You can obtain your transcript from the MT One Stop.

3. My GPA is close to the minimum required - can I still apply?

Unfortunately no, you must meet all of the requirements of the scholarship to be considered.

4. I'm a Pre Pharmacy student – can I apply to a scholarship intended for a Pre Medical student?

No. Scholarships can only be awarded to students who meet the stated requirements.

Completed applications must be received by 4:00 pm on Friday, February 15, 2019. Incomplete applications or those applications received after the above deadline will not be considered.
