Competitive Incoming Freshman Scholarships

For students starting in summer or fall only

Buchanan Fellowship

This is the highest award given to an entering freshman in the University Honors College. A minimum ACT score of 30 (or SAT of 1360) and a minimum 3.5 GPA are required for consideration. Buchanan Fellows will receive (1) an amount equal to 16 hours of in- or out-of-state tuition and fees, (2) a \$1,000 book allowance, and (3) consideration for study abroad scholarships. Up to 20 fellowships may be awarded per year. For more information and an application, please visit mtsu.edu/honors/scholarships.php.

MTSU Freshman DREAM Scholarship

Diverse Representation and Educational Access at MTSU

Middle Tennessee State University values the richness of learning opportunities brought through diversity in our student body and faculty. To demonstrate that commitment and encourage the enrollment of students from populations underrepresented at MTSU, scholarships are offered to students who will contribute to the creation and education of a diverse student body. For the purpose of this scholarship, diversity is considered to include (but is not limited to) any of the following: veterans, nontraditional students, disability status, first-generation college students, gender identity/expression, personal hardships, sexual orientation, or special gifts or talents. Recipients of the DREAM Scholarship may receive \$2,000 per year for four years.

DREAM Scholarship eligibility requirements:

- An incoming freshman joining the University in the summer or fall semester
- A Tennessee resident and U.S. citizen or permanent resident
- A graduate of a Tennessee high school or Tennessee home school

In addition, you must:

- Meet current academic and other eligibility requirements for the Tennessee Education Lottery Scholarship.
- Have a Student Aid Index (SAI) of 9,000 or less on 2025–26 FAFSA.
- Enroll full time for every fall and spring semester.
- Meet diversity requirements.
- Complete the online scholarship application through the MTSU Scholarships website by the February 15, 2025, deadline.

SCHOLARSHIPS FOR INCOMING TRANSFER STUDENTS

An incoming transfer student is someone who has not attended MTSU previously (except through a dual enrollment arrangement while still in high school).

Academic Scholarships

Students who plan to transfer to MTSU for the summer or fall term and are interested in these transfer scholarships must have ALL of the following materials on file in the Admissions Office by February 15, 2025:

- Admission application
- Application fee
- Official college transcript(s) through the fall semester
- Official high school transcript if applicable
- Proof of status as U.S. citizen or permanent resident

Guaranteed Academic Scholarships for Incoming Transfer Students

For students starting in summer or fall only

MTSU Transfer Promise Scholarships

\$3,000 per year for two years

Requirements:

- 3.0 cumulative college GPA
- 60 earned hours prior to starting enrollment at MTSU
- Application for admission and all scholarship requirements listed above MUST be completed by the Feb. 15 deadline

No separate scholarship application is required for the Transfer Promise Scholarship. Students will receive notification of scholarship offer ONCE they have met all of the requirements, including GPA and earned hours, IF they submitted all of the necessary paperwork by the Feb. 15 deadline.

Competitive Scholarships for Incoming Transfer Students

For students starting in summer or fall only

Honors Buchanan Transfer Fellowship

The highest award given to a transfer student, this fellowship is awarded by the University Honors College. Buchanan Transfer Fellows will receive \$7,000 per year for two years; a limited number of recipients incurring out-of-state tuition may receive \$14,000 per year. For more information and an application, please visit the Honors College website at mtsu.edu/honors/transfer.php.

Requirements: a minimum of 60 earned hours with at least a 3.5 college GPA

Phi Theta Kappa (PTK) Scholarship

The Phi Theta Kappa (PTK) Scholarship is available to transfer students who are members of PTK and who will be enrolling at MTSU for the first time in the summer or fall semester. Priority is given to transfer students who have been selected as members of the All-Tennessee Academic Team. Recipients will be awarded \$4,000 per year for two years. For consideration, both the online General Scholarship Application and the Supplemental Question Scholarship Application must be submitted via the MTSU Scholarship website by March 1, 2025 (see page 10 for more info).

Applicants must be U.S. citizens or permanent residents. Recipients cannot receive a MTSU Transfer Promise Scholarship or an Honors Buchanan Transfer Fellowship if they are receiving the Phi Theta Kappa Scholarship. The student will be awarded the higher-dollar scholarship. Applicants will be notified in April regarding the scholarship award offer decision.

Foundation and Departmental Scholarships

For additional information on these scholarships, see page 7.

Transferring a Lottery Scholarship

Students currently receiving a Tennessee Education Lottery Scholarship (TELS) and expecting to transfer to MTSU may be eligible to receive the award at MTSU; students transferring from an out-of-state institution may qualify if they were initially eligible at the time of high school graduation. Initial and continuing eligibility must be verified before the award can be applied.

If you believe you may be eligible for a Lottery Scholarship, complete the following steps.

- Inform your current school's financial aid office so your Lottery Scholarship can be canceled (if applicable).
- If you did not list MTSU as the first school when you initially filed your FAFSA, you need to change your school of record with the Tennessee Student Assistance Corp. (TSAC). Log in to the TSAC Student Portal and complete the Institution Transfer Request.
- Submit all required admission documents to the MTSU Admissions Office, including official high school transcripts and ACT/SAT scores.
- Submit an official full transcript (through your final semester at your previous school) to the MTSU Admissions Office.
- When you see all of your transfer hours showing on your MTSU transcript in PipelineMT, submit a TELS Transfer Form to request that your account be reviewed.

SCHOLARSHIPS FOR CURRENT STUDENTS

The following one-year scholarships are available for current MTSU students. A current fall MTSU student is a student who was enrolled in the previous spring or summer semester. To be considered, a student must submit an online scholarship application through the MTSU Scholarship website (see page 10) by the February 15, 2025, deadline and must meet GPA requirements as of the Feb. 15 deadline.

MT Diversity Scholarship

MT Diversity Scholarships are awarded based on academic achievement, diversity, and financial need. Awards are typically \$500–\$2,000 for one year. Award amounts will vary depending on academic achievement and level of financial need and will be prorated based on enrollment. Currently enrolled undergraduates must have a cumulative college GPA of at least 2.5, must file a FAFSA by Feb. 15, and must meet diversity requirements. Award amounts and criteria may vary depending on funding and the number of eligible applicants.

Diversity. MTSU has a rich blend of students from a variety of racial, ethnic, and socioeconomic backgrounds that bring with them a diverse array of life experiences. To encourage the enrollment of students from populations underrepresented at MTSU, scholarships are offered to students who will contribute to the creation of a diverse student body. For the purpose of this scholarship, diversity is considered to include (but is not limited to) any of the following: veterans, nontraditional students, disability status, first-generation college students, gender identity/expression, personal hardships, sexual orientation, or special gifts or talents.

Departmental Scholarships

Several MTSU departments offer scholarships to students participating in certain courses or activities. Students may or may not be required to major in a particular area to qualify for such scholarships. Students are encouraged to contact departments of interest to ask about scholarship opportunities. See a complete listing of MTSU departments at mtsu.edu/provost/acad.php.

Foundation Scholarships

MTSU academic and administrative departments offer approximately 700 endowed scholarships to hundreds of students each year. Application processes and deadlines vary; many scholarships require online applications or paper applications, while others are awarded based on academic achievement or other factors and do not require an application. **Most 2025–26 scholarship application deadlines are on or before February 15, 2025.**

The Financial Aid and Scholarship Office awards approximately 80 Foundation Scholarships. These awards require an online scholarship application through the MTSU Scholarship website (see page 10) by **Feb. 15**.

Private Scholarship Opportunities

Millions of scholarships are offered by private companies, clubs, civic groups, and other organizations. For more information, please visit mtsu.edu/financial-aid/scholarships/private.

FAFSA Information MTSU's School Code: 003510

The Free Application for Federal Student Aid (FAFSA) is the federal application for grants, loans, and other programs available through the federal government. However, the FAFSA is also used in determining eligibility for most state aid programs and many MTSU scholarships. Visit fafsa.gov.

The FAFSA is usually available around October 1 each year to complete for the next academic year. File the FAFSA as soon after October 1 as possible to be considered for limited need-based funding.

Scholarships for nontraditional students and veterans are available!

GENERAL INFORMATION

Tennessee Education Lottery Scholarship (TELS)

Visit collegefortn.org for more information about Lottery Scholarships and other state scholarship and grant programs.

Initial Eligibility

Tennessee residents with a 21 ACT or 1060 SAT (without writing test scores) OR a 3.0 GPA* at an eligible high school may qualify for a Lottery Scholarship. A lottery recipient will receive a base Hope award of \$2,250–\$2,850 per semester for full-time enrollment, depending on grade level. An additional \$500–\$750 per semester may be awarded through a high-need or high-academic supplement. Students who are enrolled part time and otherwise eligible will receive a prorated award amount. Graduates of a home-school program or ineligible Tennessee high school (such as a nonaccredited private school), nontraditional students, and GED graduates may also be eligible. Please contact the MT One Stop for assistance in determining eligibility. **For all lottery types, the student must submit a FAFSA as the scholarship application.**

*Please note: The Lottery GPA is calculated based on the state's Uniform Grading Policy and may differ from the high school's weighted or unweighted GPA. Most students will have a Lottery GPA lower than the GPA listed on the high school transcript. We recommend that students check with their high school guidance office for information about the Lottery GPA formula.

Meeting Lottery Scholarship Requirements

How can you keep your Lottery Scholarship? Aim for a 3.0 TELS GPA and maintain it! We'll check your GPA after 24

attempted hours, then again every 24 hours attempted after that (48, 72, 96, etc.). Remember that the Lottery GPA formula is different than MTSU's GPA formula, and your Lottery GPA may be lower than your MTSU GPA.

Enroll in at least one class every fall and spring semester; don't skip any semesters except summer. However, in order to receive lottery funds for any semester, student must be enrolled in at least 6 hours of Coursework toward Program of Study (CPoS). Be careful about dropping classes. Don't drop a class if it will cause you to fall below 12 hours for the semester. If you started the semester as part-time (6 to 11 hours), don't drop a class if it will cause you to fall below 6 hours for that semester.

If you otherwise maintain eligibility for the Lottery Scholarship(s), you can receive the scholarship(s) until the earliest of:

- 1) 5 years have passed after starting college, or
- 2) earning an advanced degree (i.e., master's).

Check your TELS GPA and attempted hours (on the Financial Aid tab in PipelineMT) frequently to know how you're doing.

If you lose your Lottery Scholarship, can you get it back?

You may be able to appeal if you lost your Lottery Scholarship because you didn't meet the enrollment requirements due to extenuating circumstances. You may be able to regain eligibility later by raising your GPA at a future 24-hour benchmark if you lost your scholarship because you didn't meet the GPA requirements. You can use your one-time-only Repeat Option to help you reach the GPA requirement.

MTSU Scholarships:

The Fine Print

- To receive scholarship offer, a student must be starting at MTSU in either the summer or fall semester. **Spring semester start scholarships are not offered.**
- In most cases, a student is required to accept scholarship offer by deadline.
- Most scholarships require full-time (12+ hours) enrollment in CPoS (Coursework toward Program of Study) eligible coursework to receive funds.
- Recipients must meet GPA and enrollment requirements after every fall and spring semester to maintain continuing eligibility.
- A student's financial aid, including scholarships and grants, may be reduced based on specific financial aid sources that are restricted to Cost of Attendance (COA) limitations. In most cases, if a student is receiving federal and/or state aid, their total financial aid can NOT exceed COA.
- In the event that MTSU offers multiple scholarships to a student, such as Guaranteed Freshman/Transfer Scholarships, Honors Scholarships, PTK Scholarship, and Freshman DREAM Scholarship, only one scholarship can be accepted. The student will be offered the higher dollar scholarship. A student can receive an MTSU scholarship in addition to the Tennessee Education Lottery Scholarship.
- The awarding of scholarships is based on the availability of funds and the criteria set forth by the appropriate governing bodies and is subject to change.

Meeting MTSU Scholarship Requirements

Any student receiving a renewable academic or endowed scholarship from MTSU must meet continuing eligibility requirements. Your scholarship award agreement will include information about online requirements to retain the scholarship.

How can you keep your MTSU scholarship?

An important factor is **GPA**. Most scholarships require a cumulative GPA of at least 3.0; some may require a higher GPA. If you drop below the GPA requirement, you may be able to regain eligibility by bringing your GPA back up.

A second factor is **enrollment**. Most scholarships require full-time enrollment in courses that are applicable toward your major program. If you will not enroll in at least 12 hours or if you must withdraw for a semester, discuss your situation with the department that offered the scholarship before making any changes to your enrollment.

A final factor is **time limit**. Most scholarships are limited to four or eight semesters. Review your scholarship award agreement on your PipelineMT account to determine how long you can receive the scholarship. When you approach that limit, be sure to look for other scholarships to replace the award.

You may be able to appeal if you lost your scholarship because you didn't meet continuing eligibility requirements. For scholarships awarded by the Financial Aid and Scholarship Office, visit mtsu.edu/financial-aid/appeals.php for information about appeal options. For scholarships awarded by other MTSU departments, contact the awarding department to ask whether an appeal process is offered.

ONLINE SCHOLARSHIP APPLICATION

MTSU's online scholarship application allows students to search and apply for Competitive and Foundation Scholarship opportunities. This does not contain all of the scholarships offered by MTSU. Please contact your academic department (based on your major) for scholarships that may be offered by your academic department. Visit the scholarship application at mtsu.edu/scholarships/opportunities.

Search for MTSU Competitive and Foundation Scholarships

- Go to mtsu.edu/scholarships/opportunities.
- Click on Scholarship Search.
- You can view the scholarship opportunities listed (in alphabetical order), or you can search for scholarship opportunities by using a keyword (i.e., Business, Rutherford County).
- Each scholarship opportunity will include the criteria, award amount, and deadline for applying.

Apply for Scholarships

- The scholarship application opens October 1, 2024. To complete, log into mtsu.edu/scholarships/opportunities using your PipelineMT username and password. You will need to be at least tentatively admitted in order to complete the scholarship application.
- You will then be directed to the Task page to complete the **General Scholarship Application**. After, you will be shown other scholarship application(s) available for you to complete.
- At any time, you can log back into mtsu.edu/scholarships/opportunities and check the status of your application.
- **Complete your FAFSA** for the upcoming academic year. The majority of the scholarships contain criteria which are based on financial need determined by the FAFSA. You will not be considered for need-based scholarships if no FAFSA is on file for the upcoming academic year.

Online Scholarship Applications

The 2025–26 scholarship application(s) must be submitted by February 15, 2025.

MTSU's online scholarship application is used to select recipients for most Competitive and Foundation Scholarships awarded through the Financial Aid and Scholarship Office. To submit an online scholarship application, follow the instructions in the Apply for Scholarships section.
