Lesbian and Gay  
**Coalition**  
 for  
**Justice**

The purpose of the Lesbian and Gay Coalition for Justice is to combat laws, policies, and attitudes that segregate, discriminate, or foster prejudice against people based on sexual orientation. We engage in activities that promote awareness, understanding, and respect concerning lesbians and gay men. We advocate the adoption and implementation of legislation, regulations, and practices that protect the civil rights for all and promote respect for diversity. We are a community-based, local organization committed to achieving our goals through mainstream activism and the electoral process.

The Leadership Council meets on the first Thursday of every month. The General Membership meets on the third Thursday of every month. Both meetings are held at St. Ann's Episcopal Church, 419 Woodland Street and are open to all.

It has been difficult to find the right words to express our invitation.

Finally, we agreed upon these words, and the above picture:

### THERE'S A PLACE AT THE TABLE FOR YOU.

We're the Stonewall Mission Church — and we hope you will join us in creating a sacred, spiritual space that promotes diversity, celebrates the interconnectedness of all life, shares our gifts freely in ministry, and gives glory for all these things to the One Who Is, the Source of Life.

There is a place for you in the life, leadership, ministry — and most importantly, vision — of our church.
