 (Ex: Summer 2010 or 201050)

 Last Name First Name Middle Initial

A graduate student may repeat graduate courses in which a grade of B- or lower was earned. However, there are certain restrictions and limitations. A maximum of two (2) courses, not to exceed eight (8) credits combined, may be repeated. The grade in the second attempt replaces the original assigned grade in the first attempt regardless of the earned grade. For all additional courses or subsequent repeated courses, there will be no grade replacement; i.e., all earned grades will be used in the grade point average calculation and are recorded on the transcript.

Graduate students may not repeat a course in which they have previously earned the grade of A, A-, B+, or B without written approval from the director of graduate studies and dean of the College of Graduate Studies. If granted, there will be no grade replacement in the GPA calculation; i.e., all attempts will be used in the grade point average calculation and recorded on the transcript.
