

Financial Statement Form

All international students who need to obtain a new I-20 must show proof of sufficient funds to cover one full year of expenses at Middle Tennessee State University. Barring unforeseen circumstances, you should plan that adequate funding will be available from the same or equally dependable sources for all subsequent years. This is the standard that all consular officials use to determine visa eligibility. Your financial documentation may include a bank statement, letter written by your financial institution or sponsoring agency, scholarship offer, or assistantship offer letter. The documentation must include explicit numerical balances and be dated within eight months of the start of classes.

Estimated expenses for the 2018/2019 academic year are as follows:

- Required funding for graduate students: \$43,335
- Required funding for graduate students with a full assistantship: \$19,371
- Required funding for graduate students with a half assistantship: \$27,207

For a summary of estimated costs, please visit our website at:

<http://www.mtsu.edu/graduate/international/index.php#Proof%20of%20Financials>

Actual expenses may be higher or lower, depending on each student's personal needs and preferences. Costs may change without notice. Some departments, such as the College of Business or Department of Aerospace, have additional course fees. Visit the following web page to learn about additional fees: <http://mtsu.edu/tuition/index.php>.

Please note that the figures on this form are ESTIMATES. Actual costs may be greater due to inflation, tuition increases, individual living preferences, and other factors. All fees are subject to any changes approved by the Tennessee Board of Education.

I have read the information on this form and certify that I have sufficient funds to defray all expenses mentioned above.
