Agreement and Signature

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that this application does not guarantee admittance to live in the GLC. I understand that upon selection, I am committing to enrich the Global Learning Community by regularly engaging with students, participating in GLC events and respecting house rules. I understand that I am also required to complete the regular housing application. If I am not selected to live in the GLC, but complete the regular housing application, I am still under the guidelines of the Housing License Agreement and will be placed in different accommodations. I understand this commitment is for the full 2019 – 2020 academic year.
