

About Us

AIG is committed to hiring high-potential candidates from universities around the world.

As you begin your career, you'll benefit from training, guidance, and mentoring by leaders and managers invested in your success. Apply to join our creative and dynamic organization where knowledge is cultivated, innovation is encouraged, and achievement is rewarded – it's a great place to start your career.

Internship

If you're invited to join the summer intern program at AIG, over the course of this 10-week program, you'll gain tangible, hands-on experience and insight into our business operations. After 3 days of orientation and training, you'll join one of our lines of business where you'll be given real projects, with equal opportunity for challenges and achievement. High performing interns may be considered for a full-time job after graduation.
