

About Us

Mercer is a world leader in the health and benefits marketplace, globally. We deliver innovative solutions that address the health and wellness needs of our clients and their employees. Whether your organization is a small business, a domestic employer, or a large multinational firm, we can deliver a comprehensive array of health and benefits solutions. We provide access to local market experts as well as national and international resources that advise on regulatory compliance and innovative benefit strategies. It is the depth of our knowledge combined with our disciplined consulting approach that makes us an ideal partner.

Full Time Opportunity

Health Consulting Analyst - Mercer's 2,500 US Health consultants deliver disciplined, consistent approaches, to benchmarking, data analytics, financial management, marketing, compliance and communication. Our client focus, integrity, expertise, and innovation are why clients choose Mercer. We are committed to setting the industry standard for ethical and transparent business practices. Health consulting analysts work closely with senior consultants in the design, financing, pricing, and administration of client companies' health and welfare programs. You will be part of teams that plan designs, contribute strategies, and conduct benchmark studies that meet your client's benefit and financial needs. Our stimulating and learning-filled environment will help you build strong relationships with your colleagues and our clients.
