To Whom It May Concern:

This is to inform you that Middle Tennessee State University (MTSU) has authorized the National Student Clearinghouse to provide enrollment verification for its students through its web-based Student Self-Service program.

Student Self-Service enables MTSU students to print up-to-date official enrollment verification certificates on demand via our secure student portal, PipelineMT, at no charge. Student may also request an enrollment verification in person at our MT One Stop, at no charge. You should consider the National Student Clearinghouse certificate as official enrollment.

If you have any questions, please contact the Clearinghouse directly at service@studentclearinghouse.org.

Thank you.
