Full-time students officially admitted and enrolled at the University for the Fall or Spring semester shall be eligible to reside in a student residence facility on premises during their period of enrollment. Part-time students are not eligible to reside in student residence facilities unless a waiver is provided by the Director of Housing and Residential Life. Such waivers shall be granted on a case-by-case basis. Part-time students shall be eligible to reside in student residence facilities on a space-available basis only. Students who drop below full-time enrollment during the academic year should not assume that they will be released from the obligations of their license Agreement. Student residence facilities may be leased/licensed to other persons in connection with programs and activities on campus at the discretion of the University.

All students, with the exception of students who are prohibited by federal or state law from residing in student residence facilities for any reason, shall have an equal opportunity to reside in student residence facilities regardless of race, color, religion, creed, ethnic or national origin, sex, sexual orientation, gender identity/expression, familial status, age or disability, provided that separate student residential facilities may be established on the basis of sex.

IV. Application Process
Application Process and Fees. Students must make application for permission to reside in a student residence facility on campus by returning a completed application signed by the student and, as applicable, the student’s parent/guardian or student’s spouse. A completed application, including the required signatures, indicates acceptance of the terms and conditions contained in the Agreement. The completed application shall be incorporated by reference as an exhibit to the signed Agreement.

At the time of application, the Student must also submit a prepayment fee. Semester fees are due and must be paid during the fee payment period at the beginning of the term. The prepayment fee is refundable prior to first check-in date according to the schedule included in the Student Housing License Agreement and Section V below. To ensure compliance, students are eligible for housing assignment contingent on proof of adequate immunization against Meningococcal disease. For more information on all required immunizations, see Health Services website.

Unless indicated otherwise, all initial violations of Housing and Residential Life rules will be adjudicated by the Area Coordinators in each of their respective areas. A determination will be made as to whether policy/rule was violated or not, and the student will be advised as to whether or not sanctions are warranted. The standard of proof required for a finding of violation of the Housing and Residential Life Rules shall be the preponderance of the evidence.
