</table>
STUDENT TESTIMONIAL

“The curriculum of the Leadership in Nutrition program has given me a broader understanding of the real-world impact nutritionists can have.”

Misty Layne-Watkins

CAREER OPPORTUNITIES

Some careers may require you to be a registered dietitian.

- Family and Consumer Science Extension Educator or Specialist
- Family and Consumer Science Teacher – Secondary Education
- Health Department (W.I.C.)
- Registered Dietitian*
- Wellness Companies

*After completing the M.P.S., students who have completed an internship will be eligible to sit for the CDR exam. Registered Dietitians can work in a variety of areas, including hospitals, management, community, private practice, and research.
