

Full-time Faculty Overload Compensation

	Rate Per Workload Unit	Guidelines
	\$800	The University will compensate full-time faculty teaching an overload for extra compensation at a flat rate of \$800 per number of credits (adjusted credit hours) granted toward the faculty load. T.C.A. § 49-5-410 limits full-time faculty to teaching no more than two (2) credit courses per semester for extra pay in an institution of higher education.
