

MIDDLE TENNESSEE STATE UNIVERSITY

REGISTRATION GUIDE

Spring 2025

Priority Registration for Spring 2025
is November 4–15, 2024

**MIDDLE
TENNESSEE**
STATE UNIVERSITY.

DID YOU KNOW YOUR FINANCIAL AID MAY BE ADJUSTED OR CANCELED IF YOU DON'T ATTEND OR ENGAGE IN CLASS?

Financial aid is initially based on your enrollment status. Once the semester begins, faculty report students who never attended/engaged by the census date. At that point, your financial aid may be adjusted/canceled, and you may be required to repay financial aid (including loans) to MTSU. If this occurs, you will be unable to view your grades, register for a future semester, or obtain an academic transcript until the balance owed is paid in full. To ensure progression toward your degree and maintain eligibility for financial aid, you should attend/engage in all of your classes and make every effort to be academically successful.

Lack of attendance can cause you to owe back financial aid!

Did you know there is a difference between receiving a grade of F for failing a class versus receiving a grade of FA for failing a class with an attendance issue? To be in compliance with federal regulations, MTSU uses a failing grade of FA to identify students who failed a class and also stopped attending the class. If you fail class(es) and also stop attending class(es), you may be required to pay back financial aid and/or lose future eligibility for financial aid (including lottery scholarships and federal student loans).

WHAT IS COURSEWORK TOWARD PROGRAM OF STUDY (CPOS) AND WHY IS IT IMPORTANT?

Students may only receive federal financial aid, most state aid, and MTSU guaranteed scholarships for coursework that counts toward unmet requirements in their officially declared program of study. This includes courses needed for the major and required minors. However, an officially declared minor that is not required for your major may not count in enrollment hours towards the above financial aid programs. Changing your major, dropping, or not attending courses can affect your eligibility for current and/or future aid. For more information, visit our FAQ website at mtsu.edu/cpos. To view which of your registered courses are eligible degree requirements for aid, go to PipelineMT, the **Registration & Student Records** menu, and the **Coursework Toward Program of Study** link.

2025–2026 FAFSA AVAILABLE SOON

The 2025–26 FAFSA can be completed online at fafsa.gov starting in December 2024. It will be used to determine financial aid eligibility for fall 2025 through summer 2026 for various federal, state, and institutional programs. The 2025–26 FAFSA income information is based on prior-prior year (2023) rather than prior year (2024), which eliminates the need to estimate tax information. MTSU's 2025–26 FAFSA filing priority date is March 1, 2025, to be considered for maximum financial aid assistance.

ACADEMIC APPEALS

Undergraduate students on academic suspension who wish to return to MTSU in Spring 2025 must complete the online academic appeal process no later than 4 p.m. Monday, January 13, 2025. The Academic Appeals Committee meets on Wednesday, January 15, 2025. For additional information, including the academic appeal process, visit mtsu.edu/academicstanding. Graduate students on academic suspension will be sent an email from the College of Graduate Studies via their MTMail accounts with instructions on how to appeal their suspensions.

WINTER SESSION

The Winter Session will be offered this year from December 23–January 16, between the end of fall and beginning of spring semesters. These courses will be online and accelerated. For students registered in a Winter Session class, **all fees must be paid by Thursday, December 19 at 4:30 p.m. or the student's Winter course will be removed** (see next page for fee payment deadlines). For more information about Winter Session, visit mtsu.edu/registration/

- Students may use spring financial aid towards payment and confirmation of Winter Session courses (which is due by **December 19 at 4:30 p.m.**).
- Grades for Winter Session are due by midnight on **Thursday, January 16, 2025.**
- Although students may pay or confirm using financial aid for Winter Session, actual aid is not disbursed until after final grades have been verified. This process can take several days after grades are submitted to complete.
- As a result, **refunds from financial aid will be delayed and not sent until after the full-term spring semester begins** for students who took a Winter Session class.

**The suggested maximum credit hour load per part of term is listed for undergraduates; however, the total of all parts of term cannot exceed the maximum for the full term.

Withdrawals from all spring classes may be processed via the Add or Drop Classes page on PipelineMT or at MT One Stop (SSAC), withdraw@mtsu.edu.

Depending on aid received, a withdrawal at any point in the semester could mean a balance will be owed. Receiving a fee adjustment does not necessarily mean you will receive a refund.

Once the semester begins, tuition exchanges are only allowed for courses dropped and added within the same part of term and with equal credit hours dropped and added on the same day. Courses do not evenly exchange across parts of terms (1, A1, A2, W) once the semester begins.

FINANCIAL AID

Federal/State Aid. For information about applying for federal/state financial aid (including loans, grants, etc.), deadlines for financial aid applications, financial aid satisfactory academic progress, the federal financial aid return policy, and general financial aid information, visit mtsu.edu/financial-aid.

Academic/Other Scholarships. Scholarship criteria for incoming freshmen, currently enrolled students, transfer students, etc., may be obtained online at mtsu.edu/scholarships.

Tennessee Education Lottery Scholarships (TELS). The Tennessee Student Assistance Corporation (TSAC) awards TELS. TSAC reserves the right to modify rules and regulations without prior notification. For information about initial and continuing eligibility requirements, visit the MTSU website at mtsu.edu/financial-aid/scholarships/tels. For additional information, visit the TSAC website at collegefortn.org/tennessee-hope-scholarship/.

Coursework toward Program of Study (CPoS). Aid eligibility is based on courses that meet an outstanding degree requirement. If you change your major after the semester begins but before the census date listed below or after the census date but before your aid is disbursed, CPoS will be recalculated to determine which courses are now meeting a degree requirement for the new major. If the course no longer applies, your aid may be reduced.

The Cost of Attendance used for the awarding of financial aid and the disbursement of most financial aid programs is based upon your enrollment in CPoS eligible courses. Initial awards are based on the assumption that undergraduate students will enroll full-time and graduate students will enroll half-time in the fall and spring semesters, and the awards are then adjusted based on registration in CPoS courses. For additional information, visit the CPoS website at mtsu.edu/cpos.

Financial Aid Adjustment Deadlines

Part of Term	*Financial aid may be adjusted due to adding, dropping, or withdrawing from all classes as of the **census date (May owe a balance to MTSU)	*Financial aid may be prorated due to dropping classes or withdrawing from all classes (May owe a balance to MTSU)	*Earn 100% of financial aid even if classes are dropped or you withdraw from all classes (May be affected by attendance reporting)
1–Full Term Jan. 21–May 8	Feb. 3**	Feb. 4–Mar. 29 (Enrolled in full-term classes only)	Mar. 30–May 8 (Enrolled in full-term classes only)
A1–Accelerated 1 Term Jan. 21–Mar. 7	Feb. 3**	Depends on enrollment. Contact MT One Stop.	Depends on enrollment. Contact MT One Stop.
A2–Accelerated 2 Term Mar. 17–May 8			
W–Winter Session Dec. 23–Jan. 16			

*Financial aid will be adjusted based on attendance/academic engagement as reported by the faculty. Official last date of attendance (for students who have not officially withdrawn) will be determined by the instructor based on academic engagement (source documentation required) or the midpoint of the semester if no source documentation is available.

**NOTE: Lottery scholarship recipients cannot change enrollment status after this date and retain the scholarship. Federal financial aid may be adjusted for the spring semester based on the number of hours enrolled as of February 3. This includes all parts of the term (1–Full Term, A1–Accelerated 1 part of term, A2–Accelerated 2 part of term, and W–Winter Session). Adding courses after February 3 WILL NOT increase financial aid eligibility. However, if you drop a class before the start date and/or your instructor reports that you never attended or stopped attending your class(es), your financial aid may be reduced or canceled.

ADVISING AT MTSU

Academic advising is recommended each semester to ensure that you stay on track for graduation and are registering for courses that apply to your program of study (CPoS). Please contact your academic advisor to review your progress, work out a schedule of classes, obtain program updates/changes, and seek help in making academic decisions. Getting advised early will allow you to register for classes on time during priority registration.

Required Advising for Undergraduate Students

Advising is required for new freshmen and new transfer students before registration.

Advising for currently enrolled undergraduate students may be required. Advisors will send an email to your MTMail if you are required to be advised prior to priority registration.

4. For best results using the Advanced Search option, leave remaining fields at their default settings and click **Section Search**.
5. If the class requires a corequisite, click on the **Display Corequisites** link at the bottom of the page. Then use search options to narrow results, if desired. The courses are listed in alphabetical order by subject, and labs or other corequisites are listed below the lectures/classes to which they correspond.

GENERAL INFORMATION

Academic Appeals

Undergraduate students on academic suspension who wish to return to MTSU in Spring 2025 must complete the online academic appeal process no later than 4 p.m. Monday, January 13, 2025. The Academic Appeals Committee meets on Wednesday, January 15, 2025. For additional information, including the academic appeal process, visit mtsu.edu/academicstanding. Graduate students on academic suspension will be sent an email from the College of Graduate Studies via their MTMail accounts with instructions on how to appeal their suspensions.

Academic Progress Report

Academic Progress Report is a system used by faculty to report academic progress and midterm grades. The Academic Progress Report will reflect feedback from your professor that could include an in-progress grade at the time of the report or other comments. An email notification is sent nightly to the student when an Academic Progress Report is posted. Details related to the report can be accessed in **PipelineMT** by selecting the **Registration & Student Records** link in the left menu, then the **Academic Progress Report** link, or by using the MTSU Mobile app. Please note that reports may contain concerns or simply a summary of progress to date, which could be satisfactory or unsatisfactory.

Academic Standing and Grades

It is the student's responsibility to be aware of grades and academic standing. For details, see catalog.mtsu.edu, Academic Policies and Procedures, Academic Standing (Retention Standards and Grades).

Undergraduate students: If a student is placed on probation, the student must attain a 2.00 GPA in the next term enrolled (fall, spring, or summer) or increase the overall combined GPA to one of the following retention standards:

00–29.99 GPA hours	1.50 overall combined GPA
30–49.99 GPA hours	1.80 overall combined GPA
50 or more GPA hours	2.00 overall combined GPA

A student on academic probation who does not meet either the current term GPA or overall combined GPA during the next term enrolled will be suspended. **Students previously suspended from any school are not eligible for probationary status.**

If a transfer or reenrolling student is admitted on probation or has been previously suspended from any school, the retention standards must be met each semester or suspension will occur. Be aware that new transfer credit posted will not be calculated in the overall combined GPA or GPA hours.

Graduate-level academic standing is based on cumulative GPA. Academic standards for graduate students may be viewed at mtsu.edu/graduate/student/suspension.

Account Management

All students have an MTSU login ID, which is your username@mtmail.mtsu.edu. This account is used to access MTMail, PipelineMT, D2L, Office 365, Teams, and other applications. Get started at itd.mtsu.edu/student-accounts.

Auditing

Students who wish to audit a class must visit the MT One Stop for assistance in changing the class from credit to audit. Any request to change from credit to audit or from audit to credit must be processed by the last day to add a class; after that time, instructor and chair permission is required via the Late Registration form and processed at the MT One Stop or sent to register@mtsu.edu.

Catalogs (Online)

MTSU's undergraduate and graduate catalogs are online and searchable at catalog.mtsu.edu. Prospective or currently enrolled students can view offerings by using the search-by-keyword feature at the top left of the screen or by clicking on links on the left side of the screen. The **Majors A–Z** and **Minors and Certificate A–Z** links provide complete major and minor listings, and academic maps (four-year plans of study) are available at the **Academic Maps** link. Information about general education, admissions, expenses/tuition and financial aid, degree requirements, policies and procedures, and graduation can be easily located.

Students can save their own catalogs under **My Portfolio** by creating a login and saving any section of the catalog such as courses, program information, or policies and procedures. Courses and programs can be added or deleted then saved for easy access.

Change of Address or Name

Students are responsible for maintaining current addresses, phone numbers, legal names, and other information with the University. Access PipelineMT and click the appropriate links under the **Personal Information** box to review and update as needed addresses, phone numbers, email addresses and emergency contacts. A permanent change-of-address request should be submitted with the U.S. Post Office in addition to notifying the University of a change of address.

Students cannot update names on PipelineMT because legal documentation is required. It is the student's responsibility to inform instructors of a name change that occurs during the semester. Complete and submit a Name Change Request form with legal documentation at mtsu.edu/one-stop/forms or in person at the MT One Stop.

Students cannot update permanent addresses on PipelineMT because the permanent address serves several purposes and must be monitored. Use the online Change of Address form to update a permanent address. A permanent address change request that conflicts with current residency status might require documentation.

For forms and requirements: mtsu.edu/mtosforms.

Change of Major/Program, Undergraduate

Choosing the right major and minor can be challenging and many students make the decision to change their majors and/or minors sometime during their undergraduate careers. Students who wish to make a change to their current curriculum must meet with their current college advisor or the college advisor of the proposed new major/minor. To view current major/program in PipelineMT, select **Registration & Student Records** in the left menu, then click on the **Transcript** icon.

Only college and faculty advisors can submit a major/program change to the Registrar's Office for processing on behalf of the student. Submitted major/minor changes will be processed for the current term. Once the change is made, updated degree requirements will be viewable in DegreeWorks and an audit run to determine financial aid eligibility for Course Program of Study (CPOS). Major/program changes and their timing should be considered very carefully related to CPOS.

Change of Program, Graduate

Effective the first day of class each semester, graduate-level students who elect to change their academic programs will be processed for the following semester. These students **MUST** be fully admitted into the new program before registration for the upcoming term. This process ensures that students' registration and financial aid are not adversely affected.

Class Attendance/Engagement

A student is expected to attend/engage in each class for which he/she is registered. Students should not attend or engage in classes for which they are not officially registered. MTSU does not require faculty to take attendance at each class period, even though some faculty may choose to do so. Therefore, participation may be confirmed by the use of an academically related activity.

Faculty are required to confirm attendance by the census date. If a grade of F is reported at the end of the semester, faculty are required to report the date of the last academically related activity (source documentation required) or the mid-point semester date if no source documentation is available. Non-participation can have an adverse effect on receipt of various financial aid and scholarships and may result in repayment being required.

Students who stop attending or engaging but do not officially withdraw may receive a grade of FA, which may negatively impact financial aid and scholarships, including lottery and loans.

Class Cancellations and Changes

The University reserves the right to cancel any class when the number of students enrolled is deemed insufficient, and the academic departments will notify students, via **MTMail**. See catalog.mtsu.edu, Academic Policies and Procedures, Cancellation of Scheduled Classes. It may be necessary for modifications to be made in locations and teachers listed for courses. The most up-to-date information may be found on PipelineMT.

NOTE: Students receiving financial aid or veterans benefits are encouraged to contact the appropriate office to determine if their aid will be affected.

Class Cancellations Due to Weather

Check the University home page at mtsu.edu, call the news line at 615-904-8215, or check your campus email. The MTSU Critical Notification System sends emails and can also deliver text messages about weather closures. To add a mobile number or manage your account, go to mtsu.edu/alert4u, and click on Manage under the RAVE Alert Account left navigation link (getrave.com/login/mtsu). If MTSU classes are canceled, the announcement will apply to all classes, credit and noncredit.

Confidentiality of Student Records

MTSU regards a student's academic record as confidential. The release of information contained in the record is governed by a federal law known as the Family Educational Rights and Privacy Act (FERPA). If you have questions concerning the provisions of this act, please feel free to contact the Registrar's Office at records@mtsu.edu or 615-898-5814.

Additional information: mtsu.edu/one-stop/privacy.

Course Load and Enrollment Status

A student's enrollment status is determined by the number of credit hours taken per term. For details on undergraduate, see catalog.mtsu.edu, Academic Policies and Procedures, Semester Hour Load of Student. For details on graduate, see catalog.mtsu.edu/index.php?catoid=39, Academic Policies and Procedures, Semester Hour Load of Student.

Coursework Toward Program of Study (CPOS)

Students may only receive federal financial aid, most state aid, and MTSU guaranteed scholarships for coursework that counts toward unmet requirements in their officially declared program of study. Dropping or not attending can affect your eligibility for current and/or future aid. For more information, visit our FAQ website at mtsu.edu/cpos. To view which of your registered courses meet degree requirements for aid, go to PipelineMT, the **Registration & Student Records** menu, and the **Coursework Toward Program of Study** link.

Critical Notification

The critical notification system is used to send text, email, and/or voice alerts to those in the system. The system will be used only when circumstances pose a threat of imminent danger and/or when it is critical to contact students as quickly as possible to take some kind of action, such as completing registration/fee payment/confirmation before the deadline. Learn more at mtsu.edu/alert4u.

DegreeWorks

DegreeWorks is available on **PipelineMT**. Select the **Registration & Student Records** link in the left menu and click on the **DegreeWorks** icon. Your degree evaluation will display based on your current degree program. The **Look Ahead** option allows you to enter courses you are planning to take to see how they will apply toward your degree. This feature can be helpful to ensure your course is Course Program of Study (CPoS) eligible. The **What If** option allows you to see how your courses will apply if you change your catalog or program/major/concentration/minor or are thinking about adding another major/concentration/minor. You can also see any approved exceptions/substitutions/changes.

Drop/Add/Late Registration Policy

Refer to page 4 for adding, dropping, late registration, and withdrawal deadlines. Students who wish to add a class after the deadline to add should refer to mtsu.edu/mtosforms to access the Late Registration form. Students will be allowed to drop or add courses provided they do so within the course drop/add period.

Students who stop attending but do not officially drop or withdraw may receive a grade of FA, which may impact financial aid and scholarships, including lottery and loans.

NOTE: The drop dates for courses that meet for a shorter period than the part of term beginning and ending dates will be prorated based upon the course drop dates for the part of term.

Student-athletes must obtain permission from the Student-Athlete Enhancement Center before adjusting their class schedules.

International undergraduate and **graduate students** must remain full time and should obtain permission from the International Affairs Office.

Veterans should consult with the Charlie and Hazel Daniels Veterans and Military Family Center before dropping and adding to find out how it will impact their benefits.

Eligibility Verification for Entitlements Act (EVEA)

The Tennessee Eligibility Verification for Entitlements Act (EVEA) requires proof of U.S. citizenship or lawful presence to receive state benefits for all new or reenrolling students.

The term “state benefits” includes in-state tuition, lottery scholarships, academic scholarships, Academic Common

Market, or any other form of tuition assistance or waivers funded with state-appropriated dollars. State benefits do not include tuition assistance funded privately or privately endowed scholarships.

For a complete list of documents and more details about the Eligibility Verification for Entitlements Act, please visit mtsu.edu/evea.

If you are eligible and wish to receive state benefits and are not planning to complete a FAFSA, documentation can be submitted using a smartphone or scanner. Access mtsu.edu/evea to upload your documents.

Email

To help protect your privacy, MTSU will communicate with you using the **MTMail** email account given to you during your admission to the University. Faculty may also communicate with you through your D2L email account. It is your responsibility to check your MTSU email accounts, read email sent to you, and respond using these accounts. Use your **MTMail** for communication to and from faculty/University offices. Access your email at outlook.office.com and log in with your MTSU credentials.

Enrollment Verification

Enrollment verification is available through PipelineMT. You can find instructions on how to obtain an enrollment verification certificate at mtsu.edu/enrollmentverification.

Financial Aid Satisfactory Academic Progress (SAP)

One factor in being eligible to receive federal, state, and some institutional financial aid (including federal loans) is maintaining Satisfactory Academic Progress (SAP). Three areas monitored in SAP are grade point average (GPA), passing percentage (Pace), and maximum attempted hours.

For financial aid purposes, the Office of Student Financial Aid and Scholarships must monitor a student’s GPA, which is a different measurement than the Registrar’s Office uses for academic purposes. Federal regulations also require the Financial Aid Office to monitor a student’s passing percentage (Pace) and attempted hours. Withdrawing from courses, which may not negatively affect GPA, can cause a student to fall below an overall combined pass rate of 67% or reach his/her maximum attempted hours before graduating. If a student fails to meet one or more of these measures or if it is determined that it is mathematically impossible to graduate within allowable timeframe limitations, students can lose eligibility for financial aid.

All students are **STRONGLY** encouraged to read and understand the Financial Aid Satisfactory Academic Progress Policy. To read more about SAP, visit mtsu.edu/financial-aid/policies.

Understand the rules so that you can maintain your financial aid.

Graduation Information

Graduation information such as ceremony dates, instructions, caps and gowns, etc., can be found at mtsu.edu/graduation.

ID Cards

The MTSU BlueID card identifies MTSU students, faculty, and staff for access to campus services and privileges. Use the BlueID card to check out books at the library, print and copy, be admitted to campus computer labs and residence halls, attend campus events and purchase extra tickets, receive student health services, and pay for food via student meal and budget plans. It can also be used as a debit card on campus. Traditional ID card making is still an option, but you can now save a trip and skip the lines. Go to mtsu.edu/BlueID and upload your own photo to then receive your ID in the mail or pick it up in person. The MTSU BlueID Office is open Monday–Friday from 8 a.m. to 4:30 p.m. in SSAC 112.

Each vehicle parked on campus must have a current valid parking permit displayed in the vehicle. Parking permits are issued only after all registration fees are paid/confirmed.

Permits are issued at the Parking and Transportation Services Office at 205 City View Drive. Students must bring their license plate number and a photo ID with them to receive their parking permits. Prescribed Course Placement

All students who were placed into prescribed courses based on the ACT/SAT/University Placement Test must enroll in and complete the designated courses in sequence. MTSU policy prohibits students from dropping prescribed courses except under extenuating circumstances and with the approval of University Studies. A student desiring to drop a course must contact University Studies by calling 615-898-2568 or visiting Room 310 in the James Union Building to begin the process. Failure to comply will result in an automatic grade of F/FA.

Failure to enroll in the designated courses can result in the student's course schedule being deleted. Additional information can be obtained by accessing the University Studies webpage at mtsu.edu/university-college/university-studies/.

Printing on Campus

Student printing is available at all University computer labs and is a privilege on campus for all active students. Students should be frugal and responsible when making printing decisions and not print unnecessarily and excessively. Printing should always be reserved for academic purposes only. Nonacademic printing should be performed at Blue Print Solutions in the Student Union Building. Printing levels are monitored, and you will be notified through the print management system when you are approaching an excessive amount of printing.

Selective Service

Male students age 18 through 25 who have not registered with Selective Service or have not verified with MTSU their registration with Selective Service will have registration holds placed on their records and will not be allowed to register until the conditions for the hold have been satisfied.

According to law, you must register with the Selective Service System to attend a public university in Tennessee. If you have not registered with Selective Service or you want to check to see if you have registered, you can go to sss.gov.

Once you have registered with Selective Service, you will need to complete the Selective Service Verification form, which you can obtain at MT One Stop (SSAC) or at mtsu.edu/mtosforms.

Transcript Requests

Current students may order transcripts through **PipelineMT >Registration & Student Records > Academic Records > Transcripts – Order Official**; For other transcript ordering options, see mtsu.edu/transcripts.

University Withdrawals

If a student wishes to drop an individual course, the drop may be completed via PipelineMT until the withdrawal deadline (refer to dates on page 4). After the withdrawal deadline and with appropriate approvals, a student may drop an individual course by submitting a signed Drop Form to MT One Stop. If students have extenuating circumstances and need to withdraw after the withdrawal deadline (e.g., medical, death in family, etc.), they should email withdraw@mtsu.edu or bring appropriate documentation to substantiate the extenuating circumstances to MT One Stop (SSAC). MTSU does not have a medical withdrawal. All withdrawals are based on documentation and the date of the extenuating circumstance. For all retroactive withdrawals, requests within one year of the end of that term will be considered only if the student presents acceptable documentation of extenuating circumstances.

Veterans

For returning veterans and those currently serving in the military, the certification of benefits process at MTSU is online. Go online to MTSU's PipelineMT, then look for the Veterans menu. Students who have served in the military but no longer receive benefits may be eligible for other benefits; to inquire about eligibility, submit a copy of the DD214 to the Charlie and Hazel Daniels Veterans and Military Family Center, KUC 124.

New freshmen and new transfer students should contact the Daniels Center to start the benefit process at mtsu veterans@mtsu.edu, or call 615-898-2601 or 615-898-5040.

For more information, go to mtsu.edu/military.

Veterans' Dependents' Post-Secondary Education Assistance

Pursuant to T.C.A. § 49-7-102, certain statutory fee exceptions exist for dependents and spouses of military personnel killed, missing in action, or officially declared a prisoner of war while serving honorably as a member of the armed forces during a period of armed conflict. Contact the Daniels Center at 615-898-2601 or 615-898-5040 for more information.

Waitlists

Select courses offer the option to join a waitlist for a closed section. If waitlist seats are available on a closed course, you will receive a closed class error message with the option to join the waitlist after entering the CRN on the "Add/Drop Classes" page in PipelineMT. After joining the waitlist, you may be offered an open seat in that section based on the order you joined the waitlist. When a seat opens an email is generated and sent to your MTMail account, along with a deadline for you to log on to PipelineMT and add the class to your schedule. If the deadline in the body of the email passes and you did not register for the offered section, the option is removed and the seat offered to the next person on the waitlist. For more information about waitlists, visit mtsu.edu/registration/waitlist.
