

# College of University Honors – Codes in Banner SOATEST

Banner SOATEST Code	Test Score (Value)	Entered By	Purpose
HONR	Y	Script runs nightly in AppWorx at request of Scheduling Center	Comparable to honors flag on PAC screen in SIS+
HADM	0780 (different code each year)	Undergraduate Admissions	New freshmen and transfers who meet honors criteria upon admission (i.e., script will enter HONR code for students with HADM for 0708)
HSCH	Y	College of University Honors enters prior to early registration the value of Y; Enter N if no longer eligible	Allows early registration for students who file intent in College of University Honors; Script will only issue pin for early registration if value equals Y not N;
HBCN	Y	College of University Honors enters prior to early registration the value of Y; Enter N if no longer eligible	Allows early registration for students who file intent in College of University Honors; Script will only issue pin for early registration if value equals Y not N;

College of University Honors may enter a test date to identify that the codes were entered for a specific priority registration term. Test dates entered must be less than or equal to the current date. Also, you cannot add or duplicate test codes with the same date. As an example, you may enter all of your HSCH codes for Fall 2007 with a date of 01-APR-2007.
