

SHACRSE – Student Course Summary

Use this form to view a list of all the courses the student has completed for a specific term or for all terms. To view all terms, leave the Term field blank in the Key Block and Next Block. To view courses for a specific term, enter the specific term in the Term field in the Key Block and Next Block. The grade a student earned, the grading mode of each course, and course repeat indicators are displayed here.

You can use the Select button of a desired course to access the Course Maintenance Form (SHATCKN) and view course details for a record. To use the Select button, you must highlight the course before clicking on the Select button.

Repeat values in Banner:

SIS+ Value		Banner Value	Banner Wording
RX – exclude from GPA	=	E – exclude from GPA	Exclude
RI – include in GPA but not earned hours	=	A – include in GPA, exclude from earned	Include GPA
RE – include in GPA and earned hours	=	I – include in GPA	Include
FR – repeat program will ignore course; include in GPA and earned hours	=	F – repeat program will ignore course; include in GPA	Freeze

SHATCKN – Student Course Maintenance Form

Use this form to view course details including grade changes. The latest grade a student has earned will display on SHACRSE and the student’s transcript. Use the scroll bar on the right hand side to scroll through courses.

SHASUBJ – Subject Sequence History Form

Use this form to track the student’s progress in specific subject areas. This form provides information pertinent to the student’s current status as well as GPA information on a subject-by-subject basis. Scrolling totals on a subject-by-subject basis are kept for institutional, transfer, and overall GPA’s. The form allows entry of a specific beginning subject area to avoid having to scroll through multiple subject areas if only one is required. This form is query only.
