Section 1

The Student Government Association of Middle Tennessee State University shall set eligibility requirements and minimum number of hours required for students to be eligible for membership in the Student Government Association. These eligibility requirements are subject to change at any time at the discretion of the Student Government Association.

Section 2

The Student Government Association of Middle Tennessee State University shall have the authority to establish and maintain a Code of Conduct for its members. The Code of Conduct shall be enforced by the Student Government Association and any violations shall result in disciplinary action.
