

SGA Resolution 34-03-F

A resolution to grant students the day before Thanksgiving off for traveling purposes.

Whereas: Middle Tennessee State University attracts students from every county across the state, spanning 235 miles to Shelby County in the far west corner, and

Whereas: Middle Tennessee State University's renowned Recording Industry program alone attracts students from over 35 states and 6 foreign countries, and

Whereas: Rutherford County Schools are already granted the day before Thanksgiving off as a day for travel, and

Whereas: Many students must miss Wednesday's classes so as to make it home in time for the Holidays, therefore interrupting their studies

Therefore, let it be resolved by the 66th Congress that:

Section 1: Middle Tennessee State University shall grant students the day before Thanksgiving off for traveling purposes

Section 2: This resolution shall take effect immediately upon approval, the student welfare requiring it.
