A Word from the Director

It is that time of year again to celebrate 110 years of True Blue pride here at Middle Tennessee State University. Homecoming 2021 is sure to be a great time as we bring the haunting to Murfreesboro, and celebrate this special homecoming the True Blue Way in “A TRUE BOO HOMECOMING”. With the help of the student body, faculty, staff, alumni, and community, we can make this the best homecoming that MTSU has ever seen as we play against our opponents, Southern Mississippi, in the Floyd Stadium! We are looking forward to the hard work that each of our campus organizations and community members put in each year, but we cannot have the best homecoming without you! So get ready for the fright of your life as we make this homecoming a spooktacular time!

General Competition Rules

The theme for the 2021 Middle Tennessee State University Homecoming is:

“A True Boo Homecoming”

As we compete against University Southern Mississippi, we are on a HUNT for those Golden Eagles. GHOSTS, GHOULS, and GOBLINS galore, we’re ready to take this game by STORM. Our Blue Raiders are ready to bring FRIGHT NIGHT to the field and HAUNT the Eagles. The Blue Raiders are coming out of the WOODS for the SPOOK of the season!

The following rules, events, and activities were developed by the 2021 Homecoming Committee. Please read all rules and regulations carefully prior to homecoming events/activities to avoid any misunderstanding, incorrect interpretation, and possible disqualification from the homecoming events. Any questions should be directed toward the 2021 Homecoming Director.

1. All official homecoming entry forms must be completed and turned in to myMT, no later than **12:00 PM on Wednesday, October 20, 2021**. Official homecoming entry forms must be submitted in order to complete the approval process determined by the Student Government Association Homecoming Committee.
2. Groups and organizations working together must note their partnership on the official entry forms. Groups and organizations must complete official entry forms individually and must both acknowledge the partnership on entry forms. If an organization is partnered with another organization, they do not necessarily have to enter every competition as partners.
3. All times and deadlines are strictly enforced. Refer to individual event rules and regulations for deadline information.
4. **All decisions of judges will be kept confidential until the 2021 Homecoming Committee makes its official announcements. All decisions of the judges are final.** Moreover, official rules are left up to the judge's discretion to interpret the rules as they see fit.
5. Official appeals must be made within 48 hours of the specific event in question. All appeals must be filed in writing with SGA Homecoming Director and the Director of Student Organizations and Service at sgahome@mtsu.edu and jackie.victory@mtsu.edu.
6. Since MTSU is a dry campus, we strictly enforce the "No alcohol" policy at all events and competitions. Organizations that are caught drinking or carrying alcoholic beverages during the SGA Homecoming events will be disqualified from the event. Further action may be taken however the homecoming committee sees fit.
7. Individuals or organizations who fail to adhere to the general rules and regulations must meet with the Homecoming Committee and Homecoming Advisor.
8. Winners from each event and category will be announced on Saturday, October 30th, at 1:00 PM in Walnut Grove.
9. **Because this event not only encompasses our campus, but also our community we do ask for anyone participating to be mindful of those around them if you decide to wear a Halloween costume. This means no gory or scary costumes to ensure the enjoyment of everyone watching and participating.**
10. **NOTE: All on-campus locations listed are subject to change.**

**All Student Government Association Sponsored Homecoming Week Events Are Subject To Change.
All Changes Will Be Announced Via Email, Pipeline, MyMT, SGA Website, And Social Media To Organization Homecoming Chairman & Organization President.**

Working Together

The purpose of Homecoming is to come together as MTSU students, to celebrate school spirit, and welcome our alumni back to campus. As a result, the Homecoming committee encourages student organizations to work together in all Homecoming events and activities. Organizations that join together for these events will be referred to as “teams.”

Student organizations may be paired and work together. If student organizations do pair up, they are not required to pair up for all events. Remember sometimes participating separately can result in more points for your team effort!

The Homecoming parade is one of the longest standing traditions of Middle Tennessee State University. It is the best way to unite and feature the community of students, alumni and local residents. Anyone has the opportunity to be recognized by walking in the parade or building a float. For those interested in participating in the parade please check the webpage for information, route location and forms.

1. All entry forms for parade are to be submitted to <https://mtsu.edu/sga/homecoming.php> by 4:30 PM on Wednesday, October 27th, 2021.
2. Entries must be in good taste supporting MTSU spirit. The Homecoming Committee reserves the right to reject and/or disqualify any entry not in compliance with contemporary community standards.
3. All participants must conduct themselves in a respectable, sportsmanlike manner at all times. If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event.
4. Where applicable, each group must, as a part of their official entry, designate a qualified, sober (**meaning NO alcohol has been consumed**) driver for the entry and any other vehicle used in the parade. Upon disqualification of the driver, the entire entry will also be declared ineligible to participate in the parade.

Float Competition Entry

Float decorations are a great way for your organization to display the spirit of MTSU and the homecoming theme. Organizations are welcome to work together to create a float to be displayed during the parade. A float is best described as a decorated platform, either built on a vehicle, truck or towed behind on a trailer. The rules stated in the General Parade rule will be considered along with the following are. If there are any questions, please contact the Homecoming Director.

1. Entries must be in good taste supporting MTSU spirit. The Homecoming Committee reserves the right to reject and/or disqualify any entry not in compliance with contemporary community standards.

If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event.

School Spirit and Incorporation of Theme During Parade	25%
Workmanship and Color Scheme	30%
Originality & Creativity	20%

Non-Float Competitive Entry

The non-float entry is one of the less costly and more creative ways for organizations to be involved with Homecoming Parade. If your organization wants to be in the parade but does not have resources to create a float, this is a good way to participate. Organizations or individuals can choose to walk behind/ with a banner or a vehicle in order to be recognized in the parade.

1. Non-float entries may be described as an organization driving a car, golf cart or simply walking the parade route. An organization can choose to have a decorated banner to introduce their organization.
2. Participants should arrange to be dropped off at parade check in location at the corner of Bell and Highland, as no through vehicles will be permitted.
3. All participants must conduct themselves in a respectable, sportsmanlike manner at all times. The Homecoming Committee reserves the right to limit individual student, alumni, or any other participation in the Homecoming Parade. If an individual participant cannot maintain the appropriate conduct as defined by contemporary community standards, he/she will be asked to leave the parade, float, or vehicle and site. If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event. Murfreesboro Police will then be contacted and student will be sent to Judicial Affairs.
4. All participants must be dressed in MTSU school colors (Royal Blue and White) or according to the 2021 theme while participating in the parade. Keep in mind that school spirit is considered for competition. Other school spirited items (balloons, pompoms, signs, etc.) are encouraged. ***All Halloween costumes should be family friendly.***
5. All registered primary drivers should arrive at the parade start at 9:00 AM to get their spot in the parade. Participants should be at the intersection of Bell St and Highland (old hospital parking lot) one hour prior to parade start time to decorate their cart. The person responsible for the vehicle must check in with the parade director to receive access to parade spot.
6. Each vehicle may only have participants riding that have available seating. (ex: if there are four seatbelts, only four people can ride in the car). Organization members can walk behind the vehicle in the parade!
7. Vehicles entries can chose to be decorated before they arrive or on site. If you wish to be judged you will need to indicate this on the entry form, judging will take place on the parade route.

8. Each group must, as a part of their official entry, designate a qualified, sober (**meaning NO alcohol has been consumed**) driver for the float and any other vehicle used in the parade. The Homecoming Committee reserves the right to determine the satisfactory state of each driver and may disqualify a driver if he or she does not meet the agreed standards. Upon disqualification of the driver, the entire entry will also be declared ineligible to participate in the parade.

Sign Competition

We are going to decorate the campus with our sign competition. Each group will decorate a piece of plywood and it will be placed on campus for everyone to see. We will leave the signs up for game day. This is a great and easy way to get your student organizations name out there! Show your school spirit and make a design!

Construction & Materials

1. Maximum size is 8 feet wide by 4 feet tall. The Homecoming Committee members will measure the dimensions for point violations.
2. Signs can only be painted. Signs can only be made out of wood and paint. Make sure your sign is waterproof! This means that a protective coating may be needed on the sign. Tents are not considered as protective covering. Waterproofing may be tested. If your sign is not waterproof, you will receive a 5 point deduction.
3. The Homecoming Committee will provide the stakes to support the signs. The Homecoming Committee will drill small holes (6-8) and secure to the stakes. It is suggested to bring a small amount of touch up paint.

Setting Up of Sign

1. All signs are due between 9 AM and 10 AM on Friday, October 22, 2021 at Walnut Grove. Signs must be completed, pre-constructed and finished (and dry) by the time they are put up. *Only 6-8 holes will be drilled on site by the Homecoming Committee.* Touch up paint after the sign is in place is allowed only around the drill hole site. If a sign is not completed by the time it is placed, it will not be judged.
2. A representative from each group must stay with the sign until cleared by a designated Homecoming Committee member. Entries deemed unsafe by the MTSU Homecoming Committee or Advisor are subject to disqualification. All areas must be clean before the site is left. If items are left behind, a 5 point deduction will occur.

Overall Information

1. Please make sure that the names of the pairing are on the sign and easily visible. Sign must adhere to both your pairings' theme and the overall university Homecoming theme.
2. Pictures will be taken of all entries at the completion of set up, and judging will be taken place during homecoming week.
