

**Resolution 1-18-S**

**A Resolution to Add Lines to the Pavement of the Parking Garages**

**Whereas:** Drivers speed through the parking garages

**Whereas:** The parking garages are narrow

**Whereas:** Drivers have no way to discern their lane from the oncoming traffic's lane

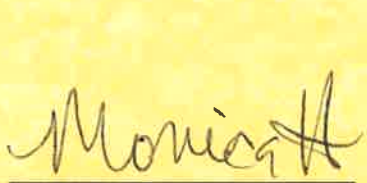

**Whereas:** The sharp turns in the parking garages are often dangerous and accident-prone

**Whereas:** Adding lines to the parking garages will help drivers stay on their side of the garage

**THEREFORE, LET IT BE RESOLVED BY THE 80TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:**

Parking Services shall add lines to the pavement of the MTSU parking garages to distinguish between the left and right lanes of traffic.
