**A Resolution to Place more Recycling Bins in the Student Union Building**

**Whereas:** There are not enough easily accessible recycling bins in the Student Union Building (SUB).

**Whereas:** Recycling is important to be an environmentally responsible university.

**Whereas:** More recycling bins will allow students to recycle more, reducing waste which would end up in Murfreesboro land fields.

**Whereas:** Because the majority of the student body eats in the Student Union, there is more potentially recyclable trash generated in this building than others on campus.

**THEREFORE, LET IT BE RESOLVED BY THE 79<sup>TH</sup> CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:**

**Section 1:** There shall be more recycling bins added on every floor of the Student Union Building.

**Section 2:** The recycling bins will be placed in the SUB in the most useful locations as determined by the SUB staff.
