

Resolution 1-10-S

A Resolution to replace the Plastics Recycle Container at the MTSU Recreation Center.

WHEREAS: The majority of MTSU Students, Faculty, Staff, & Guests use plastic-bottles in the Rec Center;

WHEREAS: MTSU is the best public university in the state and therefore is working to become more environmentally friendly;

WHEREAS: The MTSU Rec Center's plastic recycling container is in a commonly unnoticed location to those using the facility;

WHEREAS: The current Rec Center recycle container is not uniformly blue, as the rest of campus' official recycle centers and therefore less recognizable;

THEREFORE, LET IT BE RESOLVED BY THE 72ND CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: The MTSU Rec Center will place a Plastics Recycle Container located near the main exit of the facility for easy and convenient disposal of plastic bottles and other items.

Section 2: The new Recycling Container will be blue, and the same as the other official containers recognized uniformly throughout campus.

Section 3: The Plastics Recycle Container will be provided and available for use at the earliest possible discretion of the Rec Center in conjunction with campus recycling services.
