Winter Session Registration and Other Fees

Per Semester 2021-2022

All fees are subject to change by the Board of Trustees. Charges for all course work will be assessed by STUDENT level. The University reserves the right to correct errors in student fee assessments and charges which are discovered subsequent to initial billings or fee statements.

Winter session courses are part of the Spring Semester and are charged per hour and do not apply to the full-time maximum when combined with Spring term credit hours.

Note: Winter Session courses DO NOT even exchange with Spring term courses unless the Winter course is dropped during the 100% fee adjustment period.
