

2018-2019 Undergraduate Curriculum Committee

16-Nov-18

Walker Library, Room 475 at 1:00 p.m.

Call to Order:

The November meeting of the UCC was called to order by Dr. Scott Handy, Chair, at 1:00 p.m.

Members Present:

Scott Handy, Cathy Cooper, Louis Haas, Foster Amey, Lando Carter, Todd O'Neill, Lauren Rudd, Teresa Thomas, Michelle Crudup, Misty Simpson, Richard Mpoyi, Terrence Lee, Todd O'Neill, Mitzi Brandon, Peter Cunningham

Members Absent:

Chris Quarto and Philip Seagraves

Guests Present:

Jennifer Danylo (CBAS), Ron Kates (CLA), Lee Wade(CBHS), Ida Leggett (CLA), Jason Pettigrew (CLA), Gretchen Leming (BUS), Kevin Leonard (CLA), Heather Hundley (CLA), Sherry Roberts (BUS), Ferrol Aderholdt (CBAS), Rohit Singh (CLA), Jill Austin (BUS), Mike Boyle (UC), Kevin Corns (CBAS), and Pam Morris (UC)

Announcements:

n/a

Approval of Minutes from October 12, 2018:

A motion was made to approve, with amendment of page 2, item #19--**new course** (instead of **course change**) was approved unanimously. That motion was seconded. Minutes were approved.

Previously Tabled Proposals:

CJA-4300-Criminal Justice Internship	Course Change - Making course credit hours variable (6 or 9)	Prerequisite: Permission of instructor. (Open only to pre-service seniors, e.g., those preparing for a career in the criminal justice field who are not currently employed by a criminal justice agency and restricted to Criminal Justice Administration majors and minors.) Field placement in a criminal justice agency to provide practical understanding and experience in the field. A minimum of 150 clock hours for 6 hours of credit is required, or a minimum of 225 clock hours for 9 hours of credit is required.	9
--------------------------------------	--	--	---

Discussion: Clarification was needed by committee for minimum clock hours required for credit hours earned. Representative present to amend clock hours required for 9 hours of credit, 225 clock hours instead of 300 clock hours.

Committee Actions: Motion was made to approve this course with amendment regarding clock hours and credit hours required. Course change approved unanimously.

Effective: Fall 2019

CJA-4900-Readings in Criminal Justice Administration	Course Change - Making credit hours variable (3 or 6)	Prerequisite: Open only to Criminal Justice Administration majors and minors. For the advanced student who is capable of independent study. Readings and research projects are expected in a particular area of criminal justice relevant to the individual student's interests. Preparation of an annotated bibliography and report is required and is variable dependent on the amount of credit hours. Arrangements for this course should be made with the instructor prior to registration. The student should be expected to have 45 contact hours for 3 hours of credit or 90 contact hours for 6 hours of credit. The course may be repeated for 3 hours of credit if it was taken for only 3 hours of credit previously for a maximum of 6 hours total for this course granted as credit in this program.	10
--	---	--	----

Discussion: Clarification was needed regarding justification for all proposed changes: 3 credits, 6 credits, or 9 credits should be 3 credits or 6 credits. Allowed repeats should be a total of 6 hours repeatable.

Committee Actions: Motion was made to approve this change with amendment. That motion was seconded. Approved unanimously.

Effective: Fall 2019

Old Business:

n/a

Approval of Consent Agenda:

A motion was made to approve the consent agenda. That motion was seconded. The consent agenda was approved. None opposed.

New Proposals

	Proposed Action	Detailed Explanation	Reference #
<u>College of Basic and Applied Sciences</u>			
AERO 4799: Small Unmanned Aircraft System Instructor	New Course	Prerequisite: Permission of instructor and current FAA Remote Pilot Certificate. Ground and flight instruction required to become an MTSU Unmanned Aircraft Systems (UAS) Flight Instructor. Requires training sessions off-campus. Students will be required to obtain an FAA Advanced Ground Instructor (AGI)	2
Discussion: n/a Committee Actions: Motion was made to approve new course. Motion was seconded. Approved unanimously. Effective: Fall 2019			
Agriculture			
FERM-3900-Sensory Analysis of Beer	New Course	Introduction and exploration of beer leading to Level 1 Cicerone testing. Focused on the sensory properties and identification of beer via aroma and taste evaluation. Prerequisites: FERM 1000 and FERM 3700	18
Discussion: State laws will not be violated for student under 21 years of age for this course. Committee Actions: Motion was made to approve new course. Motion was seconded. Approved unanimously. Effective: Spring 2019			
Agribusiness	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	Proposal to allow ANSC 3600 - Poultry Evaluation (new course currently at UCC approval step) to count toward the ANSC elective area on the UD form for the Agribusiness major (see attached UD form).	3
Discussion: Retroactive to all valid catalogs. Committee Actions: Motion was made to approve program change. Motion was seconded. Approved unanimously. Effective: Fall 2019			

Animal Science	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	Proposal for ANSC 3600 - Poultry Evaluation (new course still at UCC approval step) to count in the ANSC elective area on the UD forms for Animal Science major and Animal Science (Agricultural Education Certification) major (see attached UD forms). Applies to Animal Science, B.S. and Animal Science (Agricultural Education Certification), B.S.	4
<p>Discussion: Retroactive to all valid catalogs. Committee Actions: Motion was made to approve program change. Motion was seconded. Approved unanimously. Effective: Fall 2019</p>			
Fermentation Science	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	Addition of FERM 3860, 3900, 4570, 4580, and 4600 as additional options for the 21 credit hour Specialized Core area on the upper division form for the Fermentation Science major (see attached 19-20 UD form noting green highlighted courses).	19
<p>Discussion: Retroactive to all valid catalogs. Committee Actions: Motion was made to approve program change. Motion was seconded. Approved unanimously. Effective: Fall 2019</p>			
Plant and Soil Science	Program Change Form Change to curriculum of existing major (including concentrations), minor, or certificate	Proposal for ANSC 3600 - Poultry Evaluation (new course currently at the UCC approval step) to count toward the ANSC elective area on the PLSO UD form. ANSC 3600 is equal in scope and rigor to current courses that count toward the ANSC elective area.	39
<p>Discussion: Retroactive to all valid catalogs. Committee Actions: Motion was made to approve program change. Motion was seconded. Approved unanimously. Effective: Fall 2019</p>			

Chemistry

CHEM-3850-Environmental Field and Laboratory Methods	New Course	Provides students with the practical tools necessary to evaluate an environmental question, develop an investigative plan, carry out the sampling and analysis from environmental matrices, and evaluate and present the results. This is a hands-on laboratory and field-based course. Students will learn how to collect, preserve, and analyze samples commonly measured for environmental assessment. Prerequisite: CHEM 1120/1121. Restriction: SO/JR/SR classification	8
--	------------	--	---

Discussion: n/a

Committee Actions: Motion was made to approve new course. Motion was seconded. Approved unanimously.

Effective: Summer 2019

Computer Science

Computer Science, All Concentrations, B.S.	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	We are requiring a catalog change to clarify prerequisite requirements for MATH 1910 and COMM 2200. These courses are prerequisites for computer science courses. New catalog entry: Notes: A maximum of 3 hours in the major may come from CSCI 4280, CSCI 4600, and CSCI 4910. Credit in secondary computer languages toward the major is limited to 3 hours. In order to take any computer science course having a prerequisite, the student must have earned a grade of C (2.00) or higher in the prerequisite. Each course counted toward the 44 credit hours of required Computer Science courses and MATH 1910 and COMM 2200 must be completed with a grade of C (2.00) or higher. CSCI 1150 is considered a service course and does not count toward a major or minor.	13
--	--	--	----

Discussion: n/a

Committee Actions: Motion was made to approve program change. Motion was seconded. Approved unanimously.

Effective: Fall 2019

Mathematical Sciences

MATH-3340-Statistics and Probability for Teaching	New Course	Three credit hours. Prerequisite: MATH 1530, 2050, or 3150 with a C or better. Supports the development of prospective middle grades and secondary teachers' knowledge of statistics and probability. Examines in greater depth statistics and probability topics to which the student has prior exposure; emphasizes the relevance and implications of these topics to the middle school and secondary classrooms. Attention will be given to exploratory data analysis, probability, statistical association, and simulation-based inference	27
---	------------	--	----

Discussion: n/a

Committee Actions: Motion was made to approve this new course. Motion was seconded. Approved unanimously.

Effective: Fall 2019

STAT-4700-Analysis of Large-Scale Data Sets	New Course	The analysis and applications of large-scale data sets. Scalable machine learning and data mining applications in a practical clinical environment. Statistical software will be used in the application of these techniques. Prerequisites-CSCI 1170 and either MATH 2530 or permission of the instructor.	50
---	------------	---	----

Discussion: n/a

Committee Actions: Motion was made to approve new course. Motion was seconded. Approved unanimously.

Effective: Spring 2019

Mathematics, Mathematics Education Concentration, B.S.	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	CSCI 1160 - Introduction to Computing should be replaced with CSCI 1170 - Computer Science 1. CSCI 1160 has been deactivated by the Computer Science department. Mathematics Education majors should now be required to take CSCI 1170.	28
--	--	---	----

Discussion: Retroactive to all valid catalogs..

Committee Actions: Motion was made to approve program change with amendment. Motion was seconded. Approved unanimously.

Effective: Fall 2019

Health and Human Performance

Community and Public Health, Public Health Concentration, B.S.	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	HLTH 4270 Bioethical Issues in Health Education will move from the Public Health Focus area to the Public Health Concentration Core. The required number of areas in the Focus area will drop from 25 to 22 and the Core area will increase from 21 to 24. LSTS 3380 Disabilities and Diversity in Leisure, Sport and Tourism will be substituted for the PHED 3900 Adapted Physical Education option in the Public Health Focus area. Three new health courses will be added to the focus area, they are HLTH 3260 Environmental Health, HLTH 3350 Survey of Human Disease, and HLTH 4020 Biostatistics for Public Health. in the Cognate area 3 additional options will be added: COMM 4200 (EXL) Multinational Organization, COMM 3350 (EXL) Diversity in Communication, COMM 4400 Sexual Communication	12
--	--	--	----

Discussion: Proposal withdrawn from the agenda for revision.

Committee Actions: Proposal not considered for the November meeting.

Effective: n/a

Physical Education, Sport Pedagogy Concentration, B.S.	Program Change Form Establish a new concentration within an existing academic program (Attach THEC form A1.5D)	The Physical Education major is currently for teacher certification. The Sport Pedagogy concentration will be a viable option for those students not seeking teaching licensure. Of the 54 hours of concentration requirements, 33 hours will be shared. The remaining Sport Pedagogy 21 hours include: LSTS 4110 (3), ATHC 3810 (3), PHED 4520 (6) and nine hours of guided Sport Pedagogy electives at advisor's discretion.	38
--	---	--	----

Discussion: n/a

Committee Actions: Motion was made to approve new concentration. Motion was seconded. Approved unanimously.

Effective: Fall 2019

Discussion: n/a

Committee Actions: Motion was made to approve course changes. Motion was seconded. Approved unanimously.

Effective: Fall 2019

Marketing

BCED - 4645 - Issues and Trends in Corporate Communication	New Course	Issues and Trends in Corporate Communication. Three credits. Prerequisite: Junior Standing, completion of BCED 4660/5660; completion of BCED 3510 is recommended. Significant research of emerging issues and trends in Corporate Communication.	6
--	------------	--	---

Discussion: Representative from Communication Studies present to voice concerns regarding overlap with some of their courses. Discussion and consultation requested before this new course is approved.

Committee Actions: Motion was made to table this proposal until the January 2019 meeting. Motion was seconded. Proposal was tabled.

Effective: n/a

MKT - 4170 - Applied Promotion and Social Media Marketing Strategies	Course Change Form Course Title Change	Old title: Applied Promotional Strategy	31
Discussion: n/a			
Committee Actions: Motion was made to approve course change. Motion was seconded. Approved unanimously.			
Effective: Fall 2019			

Business Education, Non-teaching (Corporate Communication Technology Option), B.S.	Program Change Change to curriculum of existing major (including concentrations), minor, or certificate	Requested change does not impact admission, retention, progression, or graduation as the course is being "added" as an either/or selection. Students may choose to take BCED 4810 or BCED 4645; thus, no impact is being made on students already in the pipeline.	7
Discussion: Program change was tabled, related to item 6: BCED 4645. Further discussions to be held between Marketing and Communication Studies. This item should not be retroactive to all valid catalogs.			
Committee Actions: Motion was made to table this proposal. Motion was seconded. Proposal was tabled.
