

Undergraduate Publishing Opportunities by Discipline

Formal Sciences:

[Rose-Hulman Institute of Technology Undergraduate Math Journal](#)

Rose-Hulman Institute of Technology Undergraduate Math Journal is devoted entirely to papers written by undergraduates for work completed before graduation. This is a refereed, online journal.

[Psi Chi Journal of Psychological Research](#)

Psi Chi Journal of Psychological Research is a peer-reviewed journal accepting empirical research manuscripts from undergraduates, graduate students, and faculty who are members of Psi Chi, the international honor society in psychology.

Humanities:

[Digital America](#)

"*Digital America* is an online journal that focuses on digital art and culture with an eye toward the American experience...We publish critical essays, film, art, design, and process work that question, analyze, and/or hack the tools of digital culture." New issues are published in November and May.

[Thin Air](#)

Thin Air is a literary journal that features original works of poetry, fiction, creative nonfiction, and visual art by graduate students.

Interdisciplinary:

[American Journal of Undergraduate Research](#)

"*American Journal of Undergraduate Research* (AJUR) is a national, independent, peer-reviewed, open-source, quarterly, multidisciplinary student research journal." Graduate students and faculty are allowed as co-authors. Submissions are accepted anytime.

[Apollon](#)

Apollon is "an undergraduate journal in the humanities focused on producing annual issues of excellent, peer reviewed work from participating colleges and universities across a range of disciplines and embracing the array of intellectual approaches valued by humanistic inquiry. We maintain a broad definition of the humanities by including within our purview English, Foreign Languages and Literatures, Music, Theater, History, Classics, Art History, Design, Philosophy, Religion, Peace and Social Justice Studies, Women's Studies, and regional studies, as well as

papers from associated disciplines that engage in humanistic forms of inquiry such as qualitative and theoretical work in Psychology, Sociology, and Anthropology, among others."

[Butler Journal of Undergraduate Research](#)

"The *Butler Journal of Undergraduate Research* (BJUR) publishes original, scholarly research undertaken by undergraduates from any college or university. BJUR builds upon and strengthens Butler's commitment to quality undergraduate research by providing an outlet for the publication of outstanding undergraduate scholarship across the humanities, social and natural sciences."

[Consilience: The Journal of Sustainable Development](#)

"*Consilience: The Journal of Sustainable Development* is the first student-founded journal of its kind. Its mission is to juxtapose different disciplinary approaches in order to confront challenges of sustainable development in an innovative and creative manner. The field of sustainable development is broad and can encompass a wide variety of topics, related to the environment, economics, politics, and social life. As an interdisciplinary journal, *Consilience* encourages its contributors to submit articles of relevance to many fields related to the study and practice of sustainable development. It also welcomes articles from students and other authors who have never previously been published in academic journals." Articles may take the following forms: scholarly articles, opinion pieces, field notes, and photo essays.

[Discussions](#)

Discussions is the peer-reviewed undergraduate research journal of Case Western Reserve University, publishing research papers written by current undergraduate students from accredited colleges and universities around the globe. The research can be on any topic, not limited to science or engineering. A student may submit a paper from a class, as long as his/her work presents a new and innovative idea. Submission deadlines vary by edition; please refer to website for details.

[Forbes & Fifth](#)

"We accept undergraduate submissions from any accredited university in the world. These submissions can range from research articles/essays to creative writing to visual art and beyond. There is really no limit to what you can submit to *Forbes & Fifth*." Published in April and December. Next submission deadline: October 2019.

[Girls Studies: An Interdisciplinary Journal for Undergraduate Research](#)

Girls Studies: An Interdisciplinary Journal for Undergraduate Research publishes the work of undergraduate students on topics such as the socialization of female adolescents, gender expectations, identity, body image, the impact of media on girls, and girl empowerment. Submissions of an interdisciplinary nature as well as from across the disciplines--for example, from Sociology, History, Literature, Cultural Studies, Education, Art, and Feminist Theory (to name a few) - are welcomed.

[Honors Review](#)

"The *Honors Review* is a nationally competitive interdisciplinary journal seeking illuminating, insightful and contemporary research at the undergraduate level. Students need not be members of Honors Programs to submit papers. The primary goal of the *Honors Review* is to give all undergraduates the opportunity to participate in scholarly conversations within their disciplines and to expose them to the dialogue that occurs between a journal and a contributor in editing an article for publication." Submission deadline January 14.

[Inquiries Journal](#)

"*Inquiries Journal*, formerly *Student Pulse*, is an open-access academic journal that highlights the work of students at the undergraduate level and above. The journal publishes work across a range of academic disciplines with a particular focus on the social sciences, arts, and humanities." Submissions are accepted on a rolling basis.

[International Journal of Undergraduate Research and Creative Activities](#)

"*International Journal of Undergraduate Research and Creative Activities* is a peer-reviewed, open access journal dedicated to the publication of outstanding scholarship by undergraduates and their mentors. The *Journal* accepts submissions of research articles, fiction, poetry, photography, videos, and other creative works from undergraduate students in all academic disciplines." Submissions are accepted on a rolling basis.

[Journal of Student Research](#)

Journal of Student Research is an electronic, peer-reviewed multidisciplinary journal devoted to the rapid dissemination of current papers in an array of disciplines that are novel, integrative, and accessible to a wide audience.

[Journal of Undergraduate Research and Scholarly Excellence](#)

The Journal of Undergraduate Research and Scholarly Excellence is a peer-reviewed journal accepting submission of any subject from any undergraduate institution. Undergraduates have an opportunity to publish their own work and showcase their talents in any academic subject. Research, poetry, reviews, and art can be featured side-by-side as a testament to the scholarly power of undergraduate students. Submissions are always accepted.

[Midway Review](#)

"*The Midway Review* publishes a print edition once a quarter, as well as several articles available only on the web. We welcome submissions from all UChicago students and alumni, as well as faculty or anyone from outside the University of Chicago interested in writing. We try to broadly cover politics and current events, cultural criticism, book and film reviews, religion, and philosophy. However, we will be happy to consider any other article or essay proposals that do not fit within these categories but are still relevant to current culture and politics."

[Midwest Journal of Undergraduate Research](#)

"Our mission is to support development of high-quality original undergraduate research, recognize exceptional undergraduate scholarly efforts and accomplishments, and contribute to the undergraduate learning experience. *MJUR* accepts submissions from all academic fields and from any undergraduate institution, national or international." Submission deadline January 15.

[Perspectives on Undergraduate Research and Mentoring](#)

"*Perspectives on Undergraduate Research and Mentoring* (PURM) is an open-access, multidisciplinary, peer-reviewed online journal supporting the mission of undergraduate research and the programs that strive to provide undergraduate students opportunities to participate in scholarly activities with faculty mentors. We have moved to a themed-issue format. Each annual issue is typically released in the fall and is centered on a special topic. Please see the Call for Papers for information on the current theme

[Queen City Writers](#)

We seek thought-provoking pieces from any disciplinary perspective that explore questions and problems related to writing, rhetoric, reading, literacy broadly conceived, popular culture and media, community discourses, and multimodal and digital composing. We expect that the work will be informed by critical conversations relevant to the topic—that is, composers should incorporate timely, pertinent research to support claims. In addition, we welcome projects that experiment with form, voice, style, and delivery.

[Reinvention: An International Journal of Undergraduate Research](#)

"*Reinvention* is an online, peer-reviewed journal, dedicated to the publication of high-quality undergraduate student research. The journal welcomes academic articles from all disciplinary areas and all universities. All articles undergo rigorous peer review, based on initial editor screening and refereeing by two or three anonymous referees. *Reinvention* is published bi-annually and only houses papers written by undergraduate students or papers written collaboratively by undergraduate students and academics."

[Skyline: Big Sky Conference Undergraduate Journal](#)

Skyline: Big Sky Conference Undergraduate Journal is a new online publication focusing on empirically based research and thought provoking analyses of sport in society, providing a connection between athletics and academics. Articles from any discipline will be considered if these include an athletics nexus. For spring, 2014, the NAU contact is Dr. Gae Johnson (gae.johnson@nau.edu).

[Stanford Undergraduate Research Journal](#)

"The *Stanford Undergraduate Research Journal* (SURJ) is an annual, peer-reviewed publication of research articles from all academic fields. *SURJ* primarily publishes work produced by Stanford undergraduates, but also publishes papers from well-qualified students at other institutions. New volumes of SURJ are released annually in print and on the web."

[Student Pulse](#)

Student Pulse is an online open-access academic journal focused on publishing the work of university students from around the world in a wide range of academic disciplines.

[Undergraduate Journal of Service Learning and Community-Based Research](#)

The *Undergraduate Journal of Service Learning and Community-Based Research* is a "refereed, multidisciplinary, online undergraduate journal that will advance knowledge in new scholarly arenas by presenting intellectual and reflective work by undergraduates. We seek undergraduate contributions to the burgeoning academic conversation on service learning and community-based research." Submission deadlines January 15 and June 30.

[Undergraduate Research Commons](#)

The *Undergraduate Research Commons* is a discovery portal showcasing over 700 outstanding undergraduate research publications—and counting. This collection of exemplary undergraduate work includes award-winning capstone projects, faculty-mentored research, and peer-reviewed scholarship from hundreds of undergraduate institutions.

[Undergraduate Research Journal for the Human Sciences](#)

Undergraduate Research Journal for the Human Sciences is an annual online, national, reviewed journal dedicated to the publication a full range of the scholarly efforts of undergraduate students.

[Young Scholars in Writing](#)

Young Scholars in Writing: Undergraduate Research in Writing and Rhetoric (YSW), a peer-reviewed journal for undergraduates, was founded in 2003 by Laurie Grobman and Candace Spigelman at Penn State Berks. YSW is the first international undergraduate research journal in rhetoric and writing studies and has garnered a national reputation.
